POINT BU JOUR, FARISH OF L'ASSOMPTION

THESE truly valuable WATERS are during firsthed for the large quantity of Bromne and Iodine they contain, and are acknowledged superior to all other Medicinal Waters. They are the most agreeable refreshment of the description that have yet appeared. They can be used cold to the greatest degree in the most operative her of Summer, and that without altering or affecting laintiously the health of the person using of Summer, and that without altering or affect injuriously the health of the person using the apon the contrary, they are found to improve; strengthen. The large number of cures effect by the use of the above Waters, enable us to

reading it, they will feel convinced that they have effected wonderful cares in various cases, and the
