THE SHOULDER ---

D. & A. CORSETS GIVE COMFORT, GRACE & STYLE

These requisites women rightly insist upon Because women realize that they look their graceful best when the dress is comfortable, they demand hygienic lines in corset models. As these lines follow the natural curves of the ideal figure, grace combimed with ease characterize scientifically designed corsets like D. & A.

Fashion insists upon an erect, well posed figure--without it style Is out of the question. : : : :

Most women need the aid of a well designed corset to secure this effect. The D. & A. will give it. A corset of artistic contour, up-to-the-minute styles, so all figures can be fitted. in fashion, gowns fitted over it are

Besides their style, grace and comfort, the D. & A's are durable models;

they combine fine materials and the

best workmanship. There are many
