THE ACADIAN

WOLFVILLE, N. S., AUG. 5, 1887

Local and Provincial.

RACES.—The fall meeting of the Kentville Driving Park will take place on Wednesday, September 21st.

ENRATA.—In our Berwick letter last week, in the first paragraph, Rev. D. O. Pines should have read Rev. D. O. Park-

PERSONAL.—Rev. R. D. Ross returned from his vacation on Wednesday, and will occupy his pulpit as usual next Sabbath.

THE WEATHER.—During this week the weather has been somewhat cooler. A few showers have fallen, but not enough to benefit the crops in any extent. Most crops are drying up for want of rain.

TO BE VISITED.—The Minister of Marine and Fisheries is to make a tour of inspection around the coast of Nova Scotia, in the *Lansdowne*.

GOOD TEMPLAR'S PICNIC.—Windsor's Good Templars anticipate having an excursion to Parrsboro', on the steamer *Havatha*, on the 12th inst.

HAY CROP.—The work of harvesting the hay crop will be pretty well completed this week. For years it has not been got up in as good condition.

FIRST FRUIT.—The first apples of this season's growth were shipped from Wolfville station on Saturday last. This is a little later than last year.

SCAR.—2 Tons Porto Rico and Refined Sugar just received and for sale low.

MEMBER.—The schr *Nelle Blanch*, Captain Lyons, arrived on Monday to load lumber for Boston. The cargo is furnished by Messrs. T. L. Dodge & Co., of Kentville.

WANTED.—Nice fat pigs, weighing from 150 to 250 lbs. live weight, to be delivered at Post Williams Station. Will pay cash, 5c. per live weight.

(50-3m)

PERITY.—Mr R. Prat has had his delivery wagon newly painted, and it now presents a very showy appearance. The color is Indian red. The lettering on the sides of the wagon is also nicely done.

STRECK GOLD.—It is reported that Mr Gould Northup, of Scotch Village, has struck a good seam of gold near Rawdon Church. Several men are working the claim at present, says the *Windsor Trades*.

I. S. S. CO.—The International S. S. Co. is now making two trips per week between Annapolis and Boston, direct. This affords additional convenience to the travelling public, and will no doubt be appreciated.

The crank has just got a fine new lot of Bradram's lead and English oil and colors. For sale low. B. G. B.

LATE.—The *Acadia Athlete* for June, containing a report of the closing exercises at the different institutions on the "Hill" is to hand. Though somewhat late, no doubt it will be none the less welcome to the many interested in the College.

Heavy Black Oats at O. W. TRENHOLM'S.

LUMBER BUSINESS.—Two Havana gentlemen recently arrived in Annapolis, and at once proceeded to Bear River and Yarmouth, in search of spruce lumber for shipment to the West Indies. Lumber has taken quite a jump there lately, and a good market is now open for Nova Scotia.

Come and see those fine Garden Vases at the crank's. B. G. B.

S. S. PICNIC.—The Presbyterian Sabbath-school, of Kentville, held its annual picnic on Tuesday last, at Avonport. They passed through here on the noon train, and returned on the "Flying Acadian." About 100 adults and children participated, and a most enjoyable time was had.

Four bars Century Soap and a Chromo for 30 cents, at PORTER'S.

COAL BUSINESS.—Messrs. E. Churchill & Sons, of Hanport, have recently purchased the steamer *George Skatuck*. We understand her engine and machinery is to be placed in a tug, which the firm intend building soon. The *Skatuck* will be converted into a coal barge for carrying coal between Parrsboro' and Portland, Maine. Another craft will be used, and the new tug will be used for towing the large.

STRAW HATS! STRAW HATS!

MEN'S STRAW HATS, BOYS' STRAW HATS, CHILD'S STRAW HATS.

We carry a full line of the leading makes at LOWER PRICES than were ever quoted in Wolfville.

C. H. BORDEN.

Wolfville, July 7th, 1887

Local and Provincial.

LOST.—On July 25th, between Wolfville and Starr's Point, a brown waterproof coat. The finder will be suitably rewarded by leaving it at this office or at W. H. Chase & Co's.

J. RUFUS STARR.

GENEROUS.—The *Truro Guardian* says: A lady who last year sent to this office a small basket of new potatoes, which she carried opened before our gate and let us feast our eyes thereon, and then withdrew taking the tubers with him, this year repeated the operation for his mistress. This generous maiden has our gushing thanks.

UNTIDY.—Though the streets in Wolfville are generally clean, we notice that in some places they are not in as tidy a condition as they should be. If each householder would see that the street and sidewalk adjoining his premises was kept neat and clean a great improvement would be made in the appearance of our village. We hope to be able to note this improvement soon.

CHEW! CHEW!—Just received, a fine lot of American Chewing Tobacco, also Macdonald, Black Diamond, Napoleon, T & B. Virginia Leaf, all of which are of the very best quality. J. M. SHAW.

RETURNED MISSIONARY.—We are pleased to learn that Mr J. R. Hutchinson, whose arrival at Lunenburg from Chicacoil, India, en route for Nova Scotia, we noticed some time ago, arrived at Halifax on Friday last. He is now visiting friends at Great Village, Lunenburg. His health has been much improved during his voyage home and his short stop in London.

"Vendome" New Glasgow, uses Woodill's German Baking Powder.

ELECTION PETITION.—The hearing of the Yarmouth election petitions began at 10 o'clock on Tuesday morning last, before Judge Ritchie, when evidence was adduced sufficient to void the election. The council for the petitioners asked for time to decide whether the charges of personal bribery against Mr Lovett would be proceeded with or not. In any case an election in Yarmouth country will take place in the near future.

THE C. P. R.—Much has been said in regard to the fact that the Canadian Pacific Railway is the shortest route across the continent, but probably nothing more apt than the following by Dr James Edmund has been recorded. "The Canadian Railway to the East travels, as it were, round the neck of the world, instead of round its chest, and, therefore, gets from one side of the world to the other by a shorter line."

FUR SALE.—A good Express Wagon. F. J. PORTER, Wolfville.

GONE WEST.—Mr T. F. Higgins, of this place, who, after spending eight or ten years on the Pacific coast, has for the past three years been living at home in Wolfville, left on Monday evening to return again to the West. This time he makes the journey over the C. P. R., and will, we believe, either settle in British Columbia or Oregon. Whether he decides to remain in "this Canada of ours," or takes up his residence "across the border," we wish him a large measure of prosperity.

THE MISSING MIDDIE.—At Rockingham yesterday while bathing, Mr Simon McDonald picked up on the shore the upper portion of a pair of white flannel navy pants, with side and watch pockets. The back seam was ripped and the material torn. It is surmised that one of the unfortunate middies had worn the pants, and in struggling in the water to get them off had torn them. The spot where Mr McDonald found the above is about one hundred yards from the shore where the caps were picked up. *Halifax Herald* of yesterday.

It has been said that B. G. Bishop is a crank. If so he would like to turn your attention to his fine stock and low prices.

SHIPPING.—C. R. Burgess, Esq., of this place, now manages a fleet comprising some of the best and largest vessels afloat, to which the *Harvest Queen* has recently been added. Following are their names and tonnage:

Table with columns: Name, Tonnage, Reg. Tons. Includes Barque Belt (1877), Barque Recovery (1878), Barque Nimbus (1878), Barque Conductor (1880), Barque Kedron (1880), Ship Kamira (1882), Ship Kanoo (1884), Ship Earl Burgess (1885), Ship Harvest Queen (1887).

Local and Provincial.

A beautiful stock of Crockery and Glass just arrived. Finest in town! B. G. B., the crank, wishes to turn it into money, and will give big bargains.

SCIENCE SCHOOL.—The Summer School of Science closes its session to-day, with an excursion to Windsor. Last evening a "Conversazione" was held in Assembly Hall, to which invitations were extended to many of the citizens of Wolfville, and a most enjoyable evening was spent. We hope the School may favor Wolfville again at no distant day.

FORTUNATE.—It is reported that Smith Terhune, of Windsor, Joseph Brown, of Walton, and his sons, are heirs to a valuable property in Boston. We hope the news is correct. The first named intends to visit Boston in a few days, to establish his claim, in which it is thought he will be successful.—*Hants Journal*.

ANOTHER EXCURSION.—The managers of the excursion of Saturday last, Messrs DeWolfe and Masters, intend having another on the 27th inst., to accommodate those who were disappointed on that day. The *Havatha* will call at Kingsport this time, and as she is a large boat will probably be able to accommodate all. The *Acadia* will sail from Wolfville only, and will thus be able to accommodate all here.

WATERVILLE.—The school master referred to by our Berwick correspondent in last week's *ACADIAN* is still abroad, but a sore head and a broken gun-stock is still available as evidence against him. Three dwelling houses are being built here this summer.

Our enterprising carriage builder, Mr W. O. Balzer, having returned from the "States," fitted up his premises last autumn in good style, and since then has had all the shop work he could attend to. The National Policy is the means of bringing up and keeping numbers of our best young men at home. There has not been any intoxicating liquors sold here for the past two years.

Yarmouth Notes.

(Correspondence to *Acadian*.) On Saturday, July 30th, while J. R. Kinney, ex-M. P., was making ready to return to Yarmouth from Pabucio, his spirited horse suddenly took fright. Mr Kinney at the time was unfortunately standing in front of the carriage, so that when the horse passed, one of the shafts of the vehicle caught in its suspender, dragging him upon the ground for some distance before breaking. The horse then flew over him, at the same time stepping fairly upon his forehead. Mr Kinney was brought to town in a semi-unconscious state, being very much disfigured about the face. However, he has now much recovered, although suffering nightly from a mishap that might have resulted seriously.

Miss Hitchens, late teacher of vocal music in Acadia Seminary, presented her "Flower Queen," cantata, in Ryerson's Hall on Thursday evening, July 28th, to a large and select audience. Miss Day was the queen of the flowers, and her closing solo was highly applauded. The *Yarmouth Times* in speaking of her voice said: "Miss Day has a pure soprano voice, of considerable compass and power, and with good training she will make her mark in the musical world." Miss Hitchens repeated the same cantata the following Monday evening in Hebron, and there she was very successful both financially and in executing her flower fairy-land. Miss Hitchens since she has been in town has met with general success, and it seems almost unfortunate that Acadia Seminary has lost such a capable teacher.

Mr John Lovett, Liberal member of Dominion Parliament for Yarmouth county, was unseated to-day. The evidence of Messrs. C. Grantham and A. Oliver was considered sufficiently strong to accomplish the result obtained.

Married.

FALKNER.—Underwood.—At the Methodist Episcopal Church, Pittston, Pa., July 28th, by Rev. D. C. Olmsted, assisted by Rev. W. J. Hill, Rev. John Alfred Faulkner, B. D., of Taylorville, Pa., formerly of Grand Pre, N. S., and Helen, daughter of G. Underwood, Esq., M. D.

Died.

FULLERTON.—At Greenwith Hill, July 31st, of consumption, Oliver Fullerton, aged 41 years. FOSHAY.—At Windsor, on the 31st August, of convulsions, John Gordon, youngest son of Rev. H. Foshay, aged 2 yrs and 2 months.

DR NORTON'S

Dock Blood Purifier

Is a peculiar medicine and is carefully prepared by competent persons. The combination and preparation of Burdock, Yellow Dock, Sarsaparilla, and Mandrake, and other remedial agents is exclusively peculiar to Dr. Norton's Dock Blood Purifier, giving it strength and curative power superior to other preparations. A trial will convince you of its great medicinal value. Dr. Norton's Blood Purifier PURIFIES THE BLOOD, orates and sharpens the appetite, stimulates the digestion, and gives strength to every organ of the body. It cures the most severe cases of Dyspepsia, Headache, Bells, Pimples, Scrofula, Salt Rheum, Rheumatism, Kidney and Liver Complaint, and that extreme tired feeling.
