## Acadia Loses at Halifax

### Wanderers Win Closely Contested Game

Playing on a mud-covered field and before only a handful of spectators, the Wanderers rugby team defeated the Acadia team at Halifax on Monday. In spite of the adverse conditions both teams played splendid football and although the score was 13 to 0 the game was not at all one-sided.

Acadia kicked off at the start of the game, but the ball was soon back in their own territory, where it stayed for several minutes until they got a free kick, following which there was a throw-in and the Wanderers secured the ball and after a pretty exhibition of passing along the half line, Timmy Hunter went over for the first try of the game, placing the pig-skin right behind the goal posts. Scriven converted, making the score 5 to 0, after about ten minutes of play.

After the kick-off the Wanderers soon had it again, but from near their own line the Valley boys followed it, by kicking along the ground, into Wanderers' territory and were given a free kick. They tried to shoot it over the goal but were unsuccessful and soon it was back in their territory again and a kick into the safety zone relieved their goal post.

The Wanderers were pressing the collegians hard for another score and there was another safety behind the Acadia goal line. After the kick-out and some more play across the field, Arthurs got the ball and made a fine attempt at another touch, but was tackled beautifully by Anthony. Then came another safety and another run by Arthurs with Anthony again saving his team from another score against them.

Edwards stopped a dribbling and kicking rush by Acadia. The collegians were kicking at every opportunity and seemed to be more effective in gaining ground this way than any other. MacCoy's kicking, however, would gain back all the ground lost in most cases. Lewis tried to get away on a run, going partly around the Wanderers' right, but had to kick it, after which MacCoy made a nice run through everybody but Corey, who, however, brought him down, and there followed some more kicking back and forth. The teams were at this point playing better football than the weather and field might have indicated. At half-time they were playing each other to a standstill and the ball was in mid-field.

At the beginning of the second period there was another exhibition of good kicking, in spite of the dampness of the pig-skin. Grimmer and Clarke for Acadia showing up well in this department, Acadia tried hard to equalize the score and forced a safety behind the Wanderers' line. After that, however, Wanderers had the play for a time, Pacey kicking the ball down the field and following it, when the Acadia backs again let it slip through their hands.

There were a couple of scrims near the Acadia line and the Wanderers nearly got it over again, but it was saved by Lewis and after some more zig-zag play Acadia came nearer to scoring than they had all the rest of the afternoon. Murray twice made brilliant runs and was tackled both times within a few yards of the Wanderer line. A moment later Acadia started some nice passing, but the ball was intercepted by a Wanderer player and MacCoy nearly got through again, being halted by Lewis.

The Wanderers were not to be denied, however, and Pacey got the next try after a good run down the left side of the field. Scriven made one of the finest kicks ever seen on the Wanderers' Grounds when he converted from a difficult angle, and the count was 10 to 0.

From then on the game became slower, although both teams were still trying. It was getting dark and everybody, including players and spectators, was probably wishing it was all over. Corey, Acadia's fullback, acted that way and fouled with the ball behind his own line until Bill Monaghan made another touch. This time Scriven failed to convert.

There was no further scoring, although once when the whistle blew for an Acadia player being hurt the Wanderers had a clear field ahead of them.

W. Allen was referee and the line-up follows:

Wanderers—Edwards, Hunter, Scriven, Sutcliffe, Arthurs; MacCoy, (captain), J. Monaghan, W. Monaghan, Young, Studd, Schwartz, Hart, Haines, Pacey and Hollingham.

Acadia—Corey, Murray, Clark, Anthony, Lewis, Robinson, Grimmer, Reid, Eaton, Webb, MacLeod, Atkinson, Sherman, Wigmore (captain).

Mr. S. B. Chute, of Berwick, has gathered this year a magnificent crop of apples in his different orchards. The number picked was 12,000 barrels, probably the largest crop gathered by any one person in the county.

It is not too early now to phone Graham about those Xmas photographs.

## Silver Wedding

### Very Pleasantly celebrated at Greenwich

A most pleasing and interesting event took place on Thanksgiving evening at the home of Mr. and Mrs. Chas. Forsythe Greenwich, it being the occasion of their 25th anniversary or "silver wedding". Promptly at 8 o'clock, the neighbors and friends assembled at the home of Mr. and Mrs. George Bishop from whence they proceeded in a body to "surprise" Mr. and Mrs. Forsythe. Although taken by surprise by the sudden appearance of such a large gathering of friends, Mr. and Mrs. Forsythe extended a hearty welcome to all and received congratulations in a most charming manner.

After a short time spent in social intercourse, the formal programme took place, Rev. Mr. Hemmeon acting as chairman. To the strains of the wedding march played by Miss Jessie Bishop, Mr. and Mrs. Forsythe were ushered in by Mrs. F. Porter, of Wolfville, and assigned seats of honor for the evening. A pleasing feature occurred just here, when the bride and groom of twenty-five years ago were presented by their little grand niece, Kathleen Robertson, with a magnificent bouquet of pink and white carnations, most artfully arranged. Rev. Mr. Hemmeon with a few humorous and appropriate remarks next presented them with a beautiful Pyrex Casserole on a silver stand, the gift of friends assembled. From the words addressed to Mr. Forsythe, especially, we would infer that Mr. Hemmeon has at some time during his career as Methodist preacher, become quite familiar with the properties of Pyrex ware. Mr. and Mrs. Forsythe expressed their thanks and appreciation of this token of good-will by a few well chosen remarks.

After this we were privileged to hear Miss Evelyn Duncanson, of Wolfville, as a soloist. Her rendering of some of the old favorites, was particularly good and we trust that we may again have Miss Duncanson in our midst as entertainer. Mrs. Hemmeon and the Misses Marion and Jessie Bishop favored us with very fine instrumental selections. Always a favorite with Greenwich audiences, Miss Annie Pearson was listened to with much pleasure as a soloist on this occasion. Not a little success of the evening's entertainment was due to Mr. and Mrs. Grosse. Mr. Grosse was in splendid voice and his solos were greatly enjoyed, as also was the reading given by Mrs. Grosse in her usual pleasing manner. One of the most popular items of the programme was a description by Mr. Enoch Blain of his first trip from home when a young man. This was given in Mr. Bishop's own inimitable manner and exceedingly well received. A hearty laugh from all greeted his reminiscences but Mr. Bishop declares he does not mind laughter at his expense when a green young man as there is nothing "green" about him now, which his audience was quite willing to believe. Meadames A. K. Forsythe and Wm. Bishop acted as accompanists for the evening very acceptably. Very nice refreshments were served by the ladies present. The singing of the National Anthem brought to a close what was voted as one of the most delightful evenings ever spent by those assembled. May Mr. and Mrs. Forsythe live to celebrate their fiftieth anniversary!

ONE PRESENT

## GREAT MUSICAL TREAT

On Thursday, November 17th, the Acadia Conservatory of Music will present "The Famous Boston Chamber Music Trio" in the Wolfville Baptist church at eight P.M. The trio consists of three of Boston's most noted performers: Mr. Daniel Kunz, violinist; Mr. Georges Miquelle, cellist; Mr. Howard Goding, pianist.

Mr. Kunz is one of the most eminent violinists in America, having been a member of the Boston Symphony Orchestra for many years. He has been a member of the famous Kneisel Quartet, and the Adamowski Quartet.

Mr. Miquelle was acclaimed as a remarkable pupil of the "Lille" and "Paris Conservatories". He obtained the first prize at the latter when but eighteen years of age. Was soloist with the Famous French Band when they toured the U. S. and Canada in 1916. He was cellist of the Boston Symphony Orchestra two seasons.

Mr. Goding, pianist of the trio was the winner of the Mason and Hamlin Grand Piano at the New England Conservatory of Music in 1915. He is now a member of the Artists Faculty of the above Institution. In 1917 he scored a distinct success with the Boston Symphony Orchestra, playing the famous Rubinstein D Minor concerto.

Tickets on sale at Rand's Drug Store.

The first snowfall of the season occurred on Thanksgiving Day. It was only a flurry—enough to whiten the ground—but a reminder that winter is not far away.

## In Flanders Field

In Flanders Field the poppies blow,  
Between the crosses, row on row,  
That mark our place, and in the sky  
The Larks still bravely singing fly,  
Scarce heard amidst the guns below.

We are dead, short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders Field.

Take up our quarrel with the foe,  
To you from failing hands we throw  
The Torch, be yours to hold it high;  
If ye break faith with us who die  
We shall not sleep the poppies grow  
In Flanders Field.

## Acadia Collegiate Won Championship

### Defeated the Pictou Academy Team 6 to 0

In a most disagreeable downpour of rain Acadia Collegiate Academy defeated Pictou Academy, at Truro on Saturday, for the Senior Championship of the Inter-scholastic Football League of Nova Scotia. Acadia kicked off against a very strong wind, Pictou returned kick off touch line. Here Acadia called scrim. The ball coming out on the Acadia end was passed to the half line, who forced their way to the Pictou's twenty-five yard line. The ball was very difficult to handle on account of the mud and rain, both teams doing a great deal of punting and dribbling. Play resumed around centre field during the first period. Pictou made a good punt towards the end of the first half and by following up forced the Acadias to safety. First period ended without a tally for either team.

In the second period Pictou kicked off, which was returned to their twenty-five yard line. The Acadia forwards being very fast were able to get on the ball before it was returned. After five minutes of play around Pictou's twenty-five yard line Acadia scored, but were unable to convert. On one occasion during the second period the Pictouians were able to pass centre field. During this period Acadia forced Pictou to several safeties, scrim being called a number of times near Pictou's touch line. Acadia's scrim being far superior carried the ball over touch, which looked good, but was not granted by the referee. By good teamwork Acadia again scored but was again unable to convert owing to the condition of the ball. The game ended 6 to 0 in Acadia's favor, thereby winning the championship of the Inter-scholastic Football League of Nova Scotia.

The Acadia's lineup: Forwards—Morrison, Evans, Condon, Weldon, Armstrong, Tapper, Stuart.  
Quarters—Sprague, Mellish, Cronman.  
Half Backs—Cushing, Pushie, Elh, Pritchard.  
Full Back—Johnson.  
Spares—Midous and Holtz.

## Mt. A. Defeats Acadia

### Score Was 6 to 3 in Closely Contested Game

Yesterday at Sackville the Acadia football team went down to defeat before the Mt. Allison players in a closely contested and hard fought game. The final score was 6 to 3, and unless Mt. Allison's protest over the U. N. B. game is allowed the championship of the Western Inter-collegiate League goes to the latter team. While Mt. Allison won from Acadia the game was not a sinecure. Appleby, the Mt. Allison half, went over the line for two tries, while Clarke of Acadia scored Acadia's lone try in the first few minutes of the game. The two Mt. Allison tries necessitated attempts to convert at impossible angles. Acadia had an easy chance to convert, but missed. Later in the game Clarke, of Acadia, failed in an attempt to kick a field goal.

The field was wet and covered with an inch of slush that affected play to a great extent. The ball was slippery and fumbles were frequent. Considering these adverse conditions the two teams put up a wonderful brand of football. Both half lines did some splendid work, while the forward lines also kept in constant action.

Mount Allison had the territory advantage in the first period, although Acadia's defence was very admirable. Appleby tied before the end of the period. In the second period Acadia kept Mt. Allison back of the twenty-five yard line for practically twenty minutes. A long punt, a fumble and a series of short kicks took the ball up the field and Appleby, taking a pass from Logan Clarke, went over the line again in a diagonal run. The Acadia half line made a fast effort to tie the score, but in a long gain Anthony was pushed out of touch not two yards from the Mt. Allison goal line and the Garnet and Gold proceeded to work the oval back up the field. Norman Ralston of Halifax refereed.

## THE ARMISTICE AND THE MEMORIAL

Three years ago today in a railway carriage at Spa, amid a tense and dramatic silence, there was signed a document—a mere scrap of paper—but a scrap of paper that meant relief and joy to a world rent with strife and agony. At 11 A.M. the order "cease fire" went down along the lines and was drowned in a wild chorus of cheering, a chorus which echoed round the World. Imagine it if you can—cheering along the Western front where for over four long years nought had been heard but the awful noise of battle, the shouts of raging blood and the cries of the wounded and dying.

Today as a token of our respect for the fallen and in token of our Thanksgiving that the awful strife has ceased, we have joined with our brothers of the Allied nations in two minutes of silent meditation.

And now, before this day is ended and we pass from it to another year of Peace, let us further mark the day by bringing the Memorial Campaign to a successful conclusion. This is the day when the town of Wolfville pays tribute to its "Living Dead", to those whose names we have inscribed upon the Memorial tablet, and whose names are far more indelibly inscribed upon the living tablets of our hearts and minds. How could the town of Wolfville more fittingly pay tribute to their memories than in the way suggested?

This, we hope, is our final appeal in this behalf and, in the name of those whose silent graves are scattered from Ypres to the Somme, we thank you for the generous way in which you have responded to the needs of our cause.

Yours very sincerely,  
R. B. L. 119716  
for G. W. V. A. Memorial Co.

## Inspiring Address

### Delivered to G. W. V. A. by Dr. MacDonald Sunday Evening

The Wolfville G. W. V. A. celebrated the third anniversary of the Armistice last Sunday evening by worshipping in a body at the Baptist church. The pastor, Col. the Rev. J. H. MacDonald, C.B.E., extended to the returned soldiers a cordial welcome on behalf of the church and of the citizens in general. It was the ambition of the Canadian citizen in going overseas to become a good soldier, and as soon as the armistice was signed it became his chief concern to return home and become a good citizen. The former he had done and the latter he had not left undone, and the people in general had not forgotten the service he rendered, neither were they unmindful of those who had not returned. A wreath was placed on the altar as an outward and visible sign of that remembrance.

Dr. MacDonald chose for his subject "A Vision of a Warless World", based on the fourth chapter of the prophecy of Micah. He pointed out that while the farmer had been careful to gather the harvest of his own planting, the nations had not thus far garnered the fruitage of the war's sowing. And such a sowing! A population equivalent to that of Canada dead! Another population greater than that of our own country maimed for life! A third population equally great due to arrive on the shores of time, and never arrived; and more people than Canada contains homeless destitute, hungry! But this is not all. The war has added to the burden of the world's debt. In the 122 years following the French Revolution, the cost of the wars of the world amounted to 23 billion dollars. The cost of the last war was 168 billions and the indirect cost amounted to 169 billions more. It multiplied our national debts. That of Canada increased seven fold, France eight fold, Great Britain's debt multiplied twelve times and that of the United States increased twenty-four times. The League of Nations had done excellent work. When you see forty-four nations banded together for the peaceful settlement of international affairs you have something which cannot be blown away by a puff of criticism. But on account of the three great nations still outside the League, armaments have steadily increased. Last year the United States spent nine times as much on her army and navy as the year before the war. Japan's budget for army and navy increased three times as did also that of Great Britain. This is becoming unbearable and it is no wonder the nations are meeting this week in Washington to consider the limitations of armaments and to otherwise plan for harvesting the victories of peace.

The preacher pointed out how this could be done, as outlined in his text, by the exaltation of the spiritual, the converting of destructive instruments into ministries of construction, and by devotion to the interests of humanity, so that "every man may sit under his own vine and figtree, with none to make him afraid".

The Wolfville correspondent of the Halifax Herald records the startling announcement that the capacity of Wolfville's new reservoir is 100,000,000 gallons. While we have no hesitation in believing that our present equipment will provide an adequate supply for any future emergency we cannot but think that the correspondents' estimate is decidedly too high. Councillor Nowlan, the chairman of the water committee says 10,000,000 gallons.

## Wolfville High School

### Plays First Game of Football—Defeated by Kings Collegiate

A rugby match of considerable interest was played on the University Campus Wednesday afternoon between the Wolfville High School and Kings Collegiate School. This was the High School's first attempt at organizing a team and their first match since organization. This face combined with that of their being much the lighter side, boy for boy, hand-capped them materially and easily accounted for their defeat to the tune of 15 points to nil.

The match was played as part of the Junior Championship series of the Inter-scholastic Football League of Nova Scotia. This is the first time a Wolfville team was ever in a series of this kind, and the High School boys cannot be too highly praised for their pluck in holding their opponents so well. Rufus Burgess and Bentley especially shone in defensive tactics. With the exception of two practices on the campus the boys have been compelled to use Randall's Hill as a football field, which is no more than one-fourth the size of a regular field. Taking this into consideration any intelligent individual will see at once why they were unsuccessful. Citizens of Wolfville should wake up to the necessity of having a field suitable for the boys to use for football and other games.

The teams in Wednesday's game were as follows:

Kings—Jakeman, fullback; Jones, Fraser, Dunlop and Payne, three-quarters; Moulton and Wickwe, halves; Humble, Hermann, Oyler, Patterson, Guber, Cooper, Jenks and Colquhoun, forwards. Wolfville High School—Joe Burgess, fullback; Rufus Burgess, Eaton, Gould and Boates, halves; Bentley, Russel and Pudsey, quarters; Malcolm Wallace, Cowie, Colin Munro, Grant, McKenna, Pick and Newcombe, forwards.  
Dr. H. T. DeWolfe, referee.
