HELPLESS WITH RHEUMATISM

Until He Took "Fruit-a-tives"
The Fruit Medicine

R. R. No. 1, LORNE, ONT.
"For over three years, I was confined to bed with Rheumatism. I treated with doctors, and tried nearly everything without benefit. Finally, I tried "Fruit-a-tives". Before I had used half a box I saw improvement; the pain was easier and the swelling started to go down. I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place".

Town Topics

Mr. and Mrs. A. E. Heninger are rejoicing in the arrival of a new son born on the 7th of April and both mother and child are doing well. Mr. H's smile grows broader. This boy is destined to be a "Napoleon of Finance".

Another new arrival is at the home of Mr. and Mrs. Jos. S. Low, come in with the Stork on Monday afternoon. This is the "Belle of Them All"—a fine girl, and Mr. Jos. S. is wearing the smile that does not come off. He was thinking of running for Mayor sometime, but now he has about made up his mind to try for the "Premiership". Mrs. Low is reported as progressing favorably and many friends are offering congratulations.

Our genial representative, Martin Woolf, M.P.P., returned from Edmonton last week and is looking well after the long session at Edmonton. He reports Mrs. Woolf and Miss Rosethia as enjoying themselves very much in California, where they are visiting Mr. and Mrs. LaMar Hepler at Berkeley. While away they have also been able to see Mr. Kenneth Woolf who is on a mission in the southern part of the state.

Mr. R. W. Pilling passed the week-end in Cardston and he is watching the oil game carefully. He has full faith that Southern Alberta will come back strong this year as the latest and best oil producing area in the west. Mrs. Pilling is reported as being in poor health, word coming both by wire and letter to this effect. Mr. Pilling returned to Lethbridge on Monday morning.

Don't forget this is "Clean Up" week—all rubbish and garbage should be carted away to the grounds near the dipping vat. Parties failing to follow up this work or being unable to procure teams, may have it done by the Town, that is the hauling, and a moderate charge will be made for the work. We should all take a pride in making our streets and premises as presentable as possible. Every property holder please get busy.

Mr. J. B. Maguire, representing the Associated Mortgage Investors of Rochester, New York, was a visitor last week. His company have shown more confidence in Alberta than have most the Canadian Loan people, as they have continued doing business when the others withdrew. Some large applications are pending here, one for ten thousand having been approved and four others totalling forty-seven thousand dollars being now considered. The local representatives are the Cardston Investment Co. Ltd.

Mayor and Mrs. Spencer have moved into their new residence on Centre St. opposite the Court House diagonally south-west. This is one of the finest locations in our town and we are all pleased to know that Mrs. Spencer has so far recovered her health as to be able to take charge of their new home. Her sojourn in the south with the medical treatment received has been of great benefit and all of our citizens will be pleased to see them so pleasantly located. This is one of the most up-to-date and convenient bungalows yet built in Cardston and is certainly an ideal place of residence. The Globe joins with their wide circle of friends as well as all our citizens in congratulating Mayor Mark Spencer and his good lady upon their new home and especially that Mrs. Spencer has so far recovered her health as to be able to enjoy it.
