## WOMAN COULD NOT WORK

Made Strong and Well by Lydia E. Pinkham's Vegetable Compound

St. Paul, Minn.—"I took Lydia E. Pinkham's Vegetable Compound for a tired, worn-out feeling and painful periods. I used to get up with a pain in my head and pains in my lower part and back. Often I was not able to do my work. I read in your little book about Lydia E. Pinkham's Vegetable Compound and I have taken it. I feel so well and strong and can do every bit of my work and not a pain in my back now. I recommend your medicine and you can use this letter as a testimonial."—Mrs. Paul, Mass., 801 Winslow St., St. Paul, Minn.

Just another case where a woman found relief by taking Lydia E. Pinkham's Vegetable Compound. Many times these tired, worn-out feelings and pains about the body are from troubles only women have. The Vegetable Compound is especially adapted for just this condition. The good results are noted by the disagreeable symptoms passing away—one after another. Lydia E. Pinkham's Vegetable Compound is a Woman's Medicine for Women's Ailments. Always reliable.

### Headaches Gone

Perhaps you can imagine what this means to one who has suffered terribly with headaches for ten years.

Read about it in this letter.

Mrs. Tena A. Smith, Country Harbor Cross Roads, N. S., writes:

"I feel that if anyone can recommend Dr. Chase's medicine I certainly can. I suffered for ten years from severe headaches, and although I took all kinds of headache powders they just relieved me at the time. I became very nervous and run-down, and everything seemed to trouble me. I have taken eighteen boxes of Dr. Chase's Nerve Food and it has made an entirely new person of me. I felt that I could not have lived without it. I do not have one headache now, my nerves are good and strong. I just weighed 100 pounds when I began using Dr. Chase's Nerve Food, and now I weigh 121. Knowing what this treatment has done for me, I cannot too highly recommend it to others."

### Railway News

Mr. Edward Everett Beck, who since the death of Mr. Jackson has been acting manager of the Vancouver Hotel for the Canadian Pacific Railway, has been appointed manager. Mr. Beck has been connected with this hotel ever since he entered the service in 1907, first as clerk, then as rooming clerk, and since June 16th, 1920, as assistant manager.

Calgary—For the first time in two years the car department at the Canadian Pacific Ogden Shops worked full time. This was the official announcement made at the offices of the general superintendent of the Alberta Division. The department mentioned is one of the largest at the shops and will effect carpenters, car repairers and helpers. It is stated that the heavy movement of grain is the cause of the increased work. The announcement has been received with much satisfaction by the men concerned.

Sherbrooke.—Three years in the St. Vincent de Paul penitentiary was the sentence on Joseph Couture, of the township of Lingwick, for placing a bolt and a spike on the Canadian Pacific Railway track. The case was heard before Judge J. H. Lemay, in the District Magistrate's Court, when the accused was charged with placing obstacles on the railway track with intention to destroy valuable property and endanger human life. The accused immediately pleaded guilty and, after receiving the usual warning from the court, was committed for trial. He asked for a speedy trial before Judge Lemay. Counsel for the plaintiff advised the court that the accused had a rather bad record and claimed that he had previously served one term of two years and two separate terms of four years in jail.

The court commented upon the seriousness of the offence insofar as valuable property and scores of lives were threatened, and pointed out that he was liable for a term of years, or even a term for life if it were proven that the obstacles had been placed there intentionally.

Regina—"There is so much wheat in some parts of Southern Saskatchewan that it will take until next summer to get it shipped out of the country," said J. H. Chown, superintendent of the C.P.R. at Regina, last night.

Mr. Chown made this statement upon his return from a trip over the southern lines of the Regina district, the trip including the Arco line as far south as Stoughton, through to Weyburn as far west as Assiniboia and thence up the Soo line to Moose Jaw.

"The wheat crop in some of the districts in this area is as good or better than 1915," said Mr. Chown, "and now that threshing is well under way some remarkable yields are being demonstrated. Where people expected to get 15 bushels to the acre the threshing machine is registering 25 bushels, where 25 bushels were anticipated they are getting 35 bushels and where 30 bushels were estimated the yields are running close up to 50 bushels to the acre."

"At Vantage," continued Mr. Chown, "I walked up to a threshing outfit operating not far from the station and engaged the thresherman in operation. He told me the field he was threshing was running 48 bushels to the acre. The grain was uniform, well ripened, a good color and an excellent sample of wheat in every respect."

Edmonton—A good harvest and the existence of a plentiful supply of foodstuffs in all parts of Canada is the basis upon which C. E. E. Usher, general manager and traffic manager of the Canadian Pacific railway, with headquarters in Montreal, makes the encouraging prediction that business is bound to show considerable improvement during the next few months and soon to reach the level of the best of previous times.

Mr. Usher was a visitor in Edmonton in the course of a tour which took him as far west as Vancouver.

Passenger traffic business is a worthy barometer in the testing of general business conditions, and Mr. Usher announces that the year, from a passenger traffic standpoint, has been an excellent one, while it is felt certain that the coming winter and spring will see still further increases. Tourist travel during the past season has been almost as good as it ever was, while reservations made for winter traffic, including ocean cruises, are exceptionally numerous at this time.

The again, traffic to and from the old country during the past few months has taken accommodation to capacity, while steamers plying between the west coast and the Orient have also been doing great business. Mr. Usher is a strong enthusiast for an open door policy of immigration into Canada, and in speaking upon the topical subject he declared that there would come a time before many months had passed when Canada would be setting up a 50¢ for labor.
