**The New Gillette
Safety Razor**

The "Big Fellow"

A better name could not have been picked for this special Gillette Safety Razor than the "Big Fellow"! It is a big fellow, and it is made for the big fellows—that is, the handle is thicker and longer and heavier than the standard Gillette—or even the "Bulldog"—and is just the thing for the man with the heavy hand and the muscular grip.

But before you even see the razor, you are impressed! The "Big Fellow" Case is quite a new departure. It is of polished wood—Gum Wood—simple, but WELL made—and is worthy of a place in any man's personal equipment. The "Big Fellow" is a Gillette Safety Razor with

all that means in quality and service. It takes the standard Gillette Blade, made of the finest high-carbon steel, wafer-thin, and scientifically sharpened at the factory.

NO STROPPING—NO HONING
Like all Gillette Safety Razors, the "Big Fellow" is made for you men whose time is too valuable to bother with stropps and hones.

The price is \$5.00.

Ask any dealer catering to men's needs to show you the "Big Fellow."
