It also gives the following complimentary reference to a young lady well known in these and foundered. Served him right?—

The Result.

The Opposition press is doing everything in its power by miscalculation and read on horse, \$639.00, Dec. 13, To paid balance due on hose, \$639.00, on his return in the big storm of Friday gives the following complimentary reference to a young lady well known in these of trace and creed. The presult of a great revival in that city. It also gives the following complimentary reference to a young lady well known in these of the properties. No, not quite. He probably knew no better.

The opposition press is doing everything in the city. The product of the words and former resident of Bathurst, and which we have much pleasure in transferring to our columns:

The Northern and Western less hear.

The Northern and Western less hear. most heinous offences against public morality. The sanctity of private life Jan., To p'd R. H. Armstrong, re-was invaded and charges made against freshments, defenceless women which could not be denied or alluded to without giving
