

**Absolutely Unshrinkable**

Stanfield's Underwear can't shrink. We've seen to that for you. Every fibre of the wool is tested for strength. Then we take the shrink out of it. After the wool is woven, we again try to shrink it. And when the Underwear is completely finished, the third trial for shrinkage is made. Every garment goes through the same process.

**POPE HOLDS KEY TO A CALIFORNIA GARDEN.**

Only Three Women Have Ever Been Inside Its Gates.

Santa Barbara, Cal., Dec. 27.—The garden of Santa Barbara Mission is a place of great interest to women. They are not admitted to its confines, and for many years this rule has been rigidly enforced. There have been three exceptions however, as the result of special dispensations granted by the Pope to the Princess Beatrice, Mrs. Benjamin Harrison, and Mrs. Wm. McKinley.

It is related that a woman once sought to enter by donning male attire, but was discovered after she had set one foot across the threshold and expelled, anathema of the Church being pronounced upon her.

Just why women are excluded is one of the secret legends of the little Franciscan claret in charge of the mission and unknown even to

their brothers in other missions. It is believed to be the result of a romance occurring many years ago, when a friar is said to have lured from the church for love of a woman he met secretly in the mission garden at night. Friars who die at the mission are buried in this garden, without headstones.

**England will Arm Chinese Army**

CHINESE EMPEROR SENDS HIS NEPHEW TO CONTRACT WITH GUN FACTORIES OF BRITAIN.

London, Dec. 27.—As another evidence of the awakening of China, the Chinese Government has just decided on the establishment of a great military rifle factory, and with a view to making the necessary arrangements, a nephew of the Emperor of China and the chief engineer to the Government are now on a visit to England. They have already been to Birmingham to inspect not only the factories where small arms are made but also the works where the machinery for their manufacture is turned out.

As a result of the visit, the new Chinese factory will be largely furnished with Birmingham machinery, while Birmingham experts will superintend its equipment. Large numbers of Birmingham mechanics are also being engaged to instruct the Chinese workmen in their trade.

**When Kidneys Fail, Health Declines**

Dull Aching Back Pains, Highly Colored Urine, Headaches and Insomnia Indicate Diseased Kidneys.

After experiencing for nearly 20 years a Dr. Hamlin's Pills discovered an absolute specific for weak kidneys. His pills made a permanent cure permanent.

Can you afford to delay? No your interest complete. Use the best of all cures now—today. Only take Dr. Hamlin's Pills, an absolute recovery is guaranteed. In thousands of cases relief has been instantaneous. Such was the experience of J. G. Gordon of Maryland.

Young Thorne (to his ideal)—and your name is Rose? What a sweet name Rose is! Rose—I am glad you like it. But—but—but I do not want to be a rose without a Thorne.

What could a fellow say after that. Coughs, colds, hoarseness, and other throat ailments are quickly relieved by Cresolin tablets, ten cents per box. All druggists.

The Japanese farewell 'Sayonar' means something like 'If it must be so'. If we must part thus, so be it.

**IT BEATS THE LUNGS.**

When the antiseptic vapor of Catarrh-ozone is inhaled it spreads through the breathing organs carrying healing and health to the sore spot. An irritant to the throat is removed in five minutes—bronchitis it soothes instantly, weak lungs are fed and quickly rebuilt back to health.

To be free from colds and coughs, to avoid catarrh and bronchitis—use Catarrh-ozone. It is prescribed by more than five thousand physicians in America alone, and used by the people of one nation.

A little lad was asked the other day what he intended to be when he grew up. He pondered over it for a while. I won't be a sailor, he said, because I might be drowned, and I won't be a soldier, because I might be shot. I think I will be a skeleton in a museum.

**CRISIS OF GIRLHOOD**

A TIME OF PAIN AND PERIL  
Miss Emma Cole Says that Lydia E. Pinkham's Vegetable Compound has Saved Her Life and Made Her Well

How many lives of beautiful young girls have been sacrificed just as they were ripening into womanhood! How many irregularities or displacements have been developed at this important period, resulting in years of suffering!

Girls' modesty and oversensitiveness often puzzle their mothers and baffle physicians, because they withhold their confidence at this critical period.  
"A mother should come to her child's aid and remember that Lydia E. Pinkham's Vegetable Compound will at this time prepare the system for the coming change and start the menstrual period in a young girl's life without pain or irregularities."  
Miss Emma Cole of Tallahomah, Tenn., writes:  
Dear Mrs. Pinkham:—  
I want to tell you that I am enjoying better health than I have for years, and I owe it all to Lydia E. Pinkham's Vegetable Compound.  
"When fourteen years of age I suffered almost constant pain, and for two or three years I had soreness and pain in my side, headaches and was dizzy and nervous, and doctors all failed to help me.  
"Lydia E. Pinkham's Vegetable Compound was recommended, and after taking it my health began to improve rapidly, and I think it saved my life. I sincerely hope my experience will be a help to other girls who are passing from girlhood to womanhood, for I know your Compound will do as much for them."  
If you know of any young girl who is sick and needs motherly advice ask her to write Mrs. Pinkham, Lynn, Mass., and she will receive free advice which will put her on the right road to strong, healthy and happy womanhood.

**DYNAMITE**

**DID DAMAGE**

IT EXPLODED IN A TOOL HOUSE AND BLEW IT TO ATOMS.

Dalhousie, N. B. Dec. 27.—John Nolan a prominent farmer and Joseph Levesque, a blacksmith, both of this parish had a narrow escape from death Wednesday.

Several men were engaged at Stewart's quarry blasting for a one for the new shaft at Dalhousie. They use a shanty in which they store their dynamite tools, etc. An explosion of dynamite took place and the shanty was blown to atoms. Two seconds later Nolan and Levesque would have been killed as they were walking towards the shanty to secure some fuse and were only ten feet from it when the accident occurred. The men escaped injury but received a terrible shock. Nolan, who is foreman, lost twenty-five dollars in cash, some tools and clothing, but fortunately saved the time clock. Nolan had a few minutes previously paid out three hundred dollars to his men.

The ride was out marketing for the first time. She had ordered a generous number of eatables, and the next on her list was eggs. I will take a dozen, she said.  
Will you have the case eggs? asked the clerk.  
Really, I don't know, answered the girl, wrinkling her pretty forehead. If I recollect, mother always used hens eggs.

Geology is a wonderful study, remarked the enthusiast.  
I suppose so, answered Sirius Barker, but it always seemed kind of tantalizing, to me to be told where coal is and how it came there instead of being told how to get the price of it.

So you have been married five years? interrogated the old friend. Well, you look so happy your husband must act so nicely.  
He acts like a bear when he comes home, replied the Michigan avenue lady.  
Like a bear? Gracious in what way?  
He—he hugs me.  
How in the world could you remember that your wife wanted dark brown silk? asked the friend.  
Oh, I just kept my mind on the taste I have in the my mouth this morning, replied the man who had been to a banquet the night before.  
The first dear girl was showing her new engagement ring.  
Don't you admire his taste? she asked.  
Y—yes, answered dear girl No. 2. As far as jewelry is concerned, do.

Mr. Cecil McKee, Hampton, N. B., writes, January 23, 1901: "I have used BENTLEY'S LINIMENT for both myself and children, and as a cure for sore throat, soreness of the chest, etc. I have never found anything to equal it."

Mr. James J. Cameron, West Mountain, Ont. Co., N. B., writes, November 21, 1900: "I recently used BENTLEY'S LINIMENT for a severe case of enlarged tonsils in my daughter. She had whooping cough, which greatly aggravated the trouble, and I noticed the symptoms. I bathed her throat freely with BENTLEY'S LINIMENT for a few days and the cure was marvellous."

Chas. Langille, Fredericton, P. Q., writes, September 17, 1901: "I have used BENTLEY'S LINIMENT for a sprain and my customers prefer it to any other."

J. E. Anderson, Quebec, P. Q., writes, February 20, 1901: "I have used BENTLEY'S LINIMENT for a sprain and can highly recommend it."

F. E. Kinnear, Warwick, P. Q., writes, July 17, 1900: "A few days ago, getting out of a wagon at St. Basile, my foot slipped and I struck my leg against the wheel and hurt it severely. It was extremely painful and I was afraid that I would have to lay up. However, I was induced to try BENTLEY'S LINIMENT, and two applications made a complete cure. I can recommend it with pleasure."  
F. E. Kinnear, representing the Warwick Clothing Manufacturing Co., of Warwick, P. Q.
