ANNUAL MEETING OF TIGER FOOTBALL CLUB.

Big Attendance in the Board of Trade Rooms Last Night.

Dr. Walter Thompson Was Elected President—Reports For Past Year Were Presented.

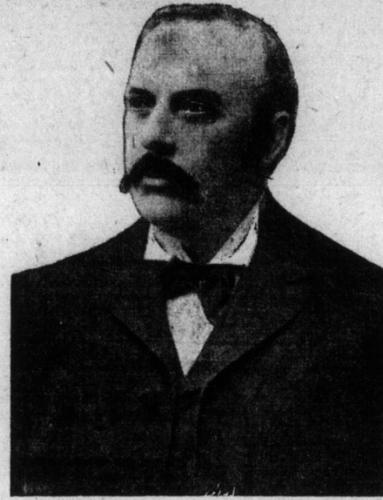

CAPT. ROY MOODIE, Who was elected a member of the Executive.

It was an enthusiastic crowd of young men that attended the annual meeting of the Tiger Football Club, which was held last night in the Board of Trade Rooms. Reports for the past year were submitted, officers elected, and considerable other business transacted.

The election of Dr. Walter Thompson to the office of President was a popular one, as was that of all the other officers, and although he objected to standing, on the ground that he could not spare the time from his business, the meeting would not hear of him retiring, and he was finally prevailed upon to accept the office.

The election of Dr. Walter Thompson to the office of President was a popular one, as was that of all the other officers, and although he objected to standing, on the ground that he could not spare the time from his business, the meeting would not hear of him retiring, and he was finally prevailed upon to accept the office.

After three years' service in the office of Treasurer, Billy Agnew was somewhat

Re-elected Hon. Pres. of Tiger Football Club.

lunch to accept the responsibility and labor that necessarily accompanies that office, but as in the case of Dr. Thompson, the members would not listen to his objection, and indeed they showed wisdom in doing so, as a better man than Billy Agnew could not be secured to handle the club's funds.

The financial statement showed receipts of \$12,016.57, with expenditures of \$10,995.51, leaving a bank balance of \$1,021.06, of which \$1,000 was voted to the permanent grounds fund, which now totals \$4,719.00, and which has been gathered together in the last three years. A long discussion took place regarding the advisability of purchasing permanent grounds, and a resolution was finally passed in favor of the same.

ADAM Z. ZIMMERMAN, Re-elected Hon. Pres. of Tiger Football Club.

proposition submitted by the cricket grounds people was also taken into consideration. Under its provisions the Tiger Athletic Association would have to pay a yearly rental of \$1,000, which was to be spent wholly on maintenance. The Tigers would have full control of the grounds, with privileges of erecting permanent grand stands. The Cricket Club would still hold the deed of the grounds, but on condition that certain dates were allowed them during the cricket season they are perfectly willing to turn the grounds over to an athletic association for purely athletic purposes.

The past year was one of the most successful in the history of the club, and, judging by the enthusiasm that prevailed last night, the coming season will not without its honors for Hamilton. With capable officials, plenty of money and the best playing material in the country everything augurs well for a banner year. Last year two Dominion championships were brought to Hamilton, and the aim of the club will be to bring all three here, together with the Grey Cup this year.

and will not be back. So that, taking it all in all, the Riders will have to get together tail skinning to get to a team anywhere near as classy as last year's superb aggregation.—Canadian Sportsman.

It is said that J. B. McArthur, the well-known half-back, who has been playing with T. A. C. the last few years, has retired from the game for good. He could not be induced to play more than two games last year, one against the Argos, the other against Peterboro.

George Mars, middle wing for the same club, declared at the end of last season that he was through with the game also. "I will be in the stands rooting this year," is the way he put it.

Guy Clarkson, one of the best outside wings in the country, has also retired, but his younger brother, Hugh, looks capable of filling his brother's shoes on the Crimson and White line-up. Maxwell and Campbell will likely be out again, and possibly "Ade" Rathbun.

Maxwell is one of the best half-backs in the game to-day. His catching, kicking and tackling are just about perfect, and Campbell at quarter is a brainy player, good with his hands and a first-rate tackler.

"Pet" Flett may show up this fall, and if he ever gets back into his old form, T. A. C. should come out all right. They have a lot of good youngsters to pick from, and the club is well satisfied with the prospects.

Kingston, Aug. 28.—Football prospects are bright at the Military College. A number of last year's team, including Rogers, Boswell, Green, Gwynn, Smith, Arnold, Goldie, Young, Wheeler, Meredith, Peters are back, giving them eleven men to start on, who played with them before. The college invariably gets some fine raw material, and this season is no exception. Stuart Robertson is a football player of sterling qualities. He guarded centre half for the collegiate team two seasons, when it was the pride of the country. Colin Carruthers also comes to the red and white with a reputation. He captained Upper Canada College and also was half-back, and has played the position for some years.

MARKETS AND FINANCE

Saturday, Aug. 28.—Business on the central market this morning was good, for, although large quantities of produce were offered, the demand was also large, and prices remained firm. Plums took a drop in price, as did also thimbleberries. Nutmeg melons are becoming plentiful, and the price continues to drop, and went as low as 25 cents a dozen.

WOODBINE AUTUMN MEET Toronto, Aug. 28.—Programme books of the coming autumn meeting of the Ontario Jockey Club, September 18th to 25th, have been issued. \$36,300 is the amount of added money distributed in an excellent list of events to be run off during the seven days of the meeting.

Beach Regatta. The Beach regatta under the auspices of the Hamilton Rowing Club, to be held on Saturday, Sept. 4th, will include the following events by beach residents: Men's double canoe, mixed tandem canoe, men's single canoe, ladies' double canoe, men's double rowboat.

GRIDIRON GOSSIP It will soon be a case of "back up" for baseball, lacrosse and other summer sports, as the season of the "sere and yellow leaf" is approaching, bringing along with it the pastimes suitable to the colder temperature.

SCHOOLS BRIGHTEN RURAL LIFE. Fessett A. Cotton, late state superintendent of instruction, Indiana, says: "The mothers and daughters who have borne their share of the burden of toil on the farm have been the larger sufferers. Life for them is too hard and the social advantages are too few and far between. Under such circumstances it is not strange that farmers' children are attracted to city life and that they leave the farm."
