

A Good Investment.

A MOST rare opportunity is here offered the Public, particularly Capitalists and Speculators, either in the Island or neighbouring Provinces. The Subscriber, now residing in the United States, hereby offers at private sale, either the whole or part of his REAL ESTATE in Prince Edward Island, consisting, in part, in some 50 VILLAGE LOTS in the Village of SUMMERSIDE, Lot 17, in which is included about 900 feet along the Shore of the Harbor of Bodeque, and which is laid out in WATER LOTS, and the front secured with a Breast-work of considerable expense, and on which is the best location in the Village for a Wharf. On part of these Lots stands Two DWELLING HOUSES, one STORE and WAREHOUSE, and one Carriage Factory. Immediately adjoining the Village is a FARM of about 80 Acres, 50 of which is under a good state of cultivation, and the balance well covered with a splendid growth of wood. There are also a large BARN, a small FARM HOUSE, Out House, a Well, and a large Spring of Superior Water on the premises. This Farm being situated on the north side of Bodeque Bay, and gradually descending south to said Village, rendering its location pleasant; and, as it commands a full view of the Straits, with New Brunswick in the distance, makes it a very desirable site for a residence; a large portion of which, however, will be required to supply the growth of the Village, and for Building Lots in the rear. This property is second to none in the Island, in point of beauty and for healthy locations. Much might be said of the many business advantages, &c., of Summerside, and of its proximity to Shediac, the terminus of the Rail Road; but it is presumed an intending purchaser will make himself well acquainted with all such information before closing such a purchase.

Also is offered on Townships Nos. 15, 8 and 9, in Prince County some 550 Acres of LAND, and on Lot 25, two FARMS subject to long Leases, paying annually £9 14s. currency. All this property will positively be sold, therefore, bargains may be expected. For Terms, and further particulars, apply to F. BAKER, Esq., Bodeque, or to Messrs. BEEK & SON, Charlottetown, with whom plans of said Village Property can be seen, as also in the Registrar's Office May 10, 1856. J. WEATHERBIE.

**No 23. LLOYD'S
Register of British and Foreign Shipping.**

Established 1834.

NOTICE is hereby given, that in pursuance of Resolutions passed this day by the Committee of Lloyd's Register of British and Foreign Shipping, the following Regulations will come into operation on and after the 1st July, 1857, viz:—

"Ships which proceed to sea without being fastened with the Iron Knees and Riders prescribed by the Rules, will have one year deducted from the period to which they would otherwise be entitled to be classed in the Register Book.

"Ships built in the British North American Colonies, and all Ships the frames of which are composed of Fir, of 600 tons to 1000 tons, and all Ships (wherever built) the length of which from the stem to the stern-post aloft shall exceed five times their extreme breadth, shall have diagonal iron plates fitted outside or inside the frame, to extend from the upper deck clamp to the first foothook, and be not less than four inches broad, and 3/4 inches thick, and be bolted with 1/2 inch bolts through each frame if fitted on the outside, and through each timber if fitted on the inside of the frame: the number of the plates to be in the proportion of not less than one pair to every twelve feet of the ship's entire length. And in all such ships of 1000 tons and upwards, the iron plates to be not less than five inches broad and three-fourth inches thick, bolted as above with one inch bolts.

"In all such ships, likewise, the shift of the planking must not be less than six feet, unless there be a strake wrought between them, and then a distance of five feet will be allowed."

The Rule, section 46, has been amended, by allowing the use of galvanized iron nails in the flat of upper deck, poop, and forecabin, in ships claiming an additional period under the above rule.—N. B. This amendment comes into operation immediately.

**No 25. LLOYD'S
Register of British and Foreign Shipping.**

Established 1834.

NOTICE is hereby given, that in pursuance of Resolutions passed by the Committee this day, the Rules and Regulations have been altered and amended as follows, viz:—

Sec. 48,—heretofore requiring the Bilges to be secured with Bolts, so placed that from the foremost to the mainmast there be at least one bolt through and clenched in each first foothook, &c., will now stand as follows:—"The Bilges to be secured with Bolts, so placed that from the foremost extending a distance of equal to three-fifths of the length of the keel, there shall, in ships under 300 tons, be at least one bolt through and clenched in each first foothook, and in ships of 300 tons and upwards there shall be at least two bolts through and clenched for each set of timbers in one or other of the thick bilge strakes."

The foot-note in Table B, allowing the use of "thinner plank for short heads," has been amended and will stand as follows, viz:—"All the fore and after heads, both outside and inside, may be reduced one-sixth in thickness. Ferrons are not allowed in this or in any other part of a ship."

The words "Paul Bits" will in future be omitted in the Table A; but it will be the duty of the Surveyors to see that the Paul Bits are properly secured.

On and after the 1st January, 1857, the use of Black Birch for main pieces of Rudders and Windlasses will not be allowed in ships claiming a character under the Rules.
