HOLLOWAY'S PILLS

Let no one be deceived by cheap imitations of this celebrated medicine. The purifying Pills have had a long and successful career, and their efficacy is proved by the numerous testimonials which are daily received. Have the obstructed kidneys cleaned, the pure blood, and excrete on every part of the system vigour.

Impurities of the Blood.

These wonderful Pills are valued at the humblest health as well as in the most delicate and wealth. They work a thorough purification throughout the whole system without disordering the natural action of any organ, and eradicate those various complaints which consign tens of thousands to an early grave.

Indigestion, Bilious Complaints and Sick Headache.

No organ in the human body is so liable to disorder as the liver, and none is more neglected, to become seriously diseased. Remember when nausea, flatulency, or acidity on the stomach warns us that digestion is not proceeding properly, that Holloway's Pills regulate every function, give strength to every organ, speedily remove all causes of indigestion, bile, and sick headache, and effect a permanent cure.

Weakness and Debility.

In cases of debility, languor and nervousness, generated by excess of any kind, whether mental or physical, the effects of these Pills is in the highest degree beneficial, renovating, and restorative. They drive from the system the morbid causes of disease, re-establish the digestion, regulate the secretions, strengthen the nervous system, raise the patient's spirits, and bring back the frame to its pristine health and vigour.

Turn of Life and Dropsical Swellings.

The turn of life is the most distressing period in woman's existence; it distresses thousands. The whole of the gross humours collect together, and like a tide sweep away health and life itself, if not timely and powerfully checked. The most certain and safe for all these dangers is Holloway's Pills. Armed with them the fiery ordeal is passed through, and the sufferer is once more restored to the possession of unimpaired health. It is but little known that at the so-called "turn of life," man also, when verging on fifty or fifty-five, discovers that his health is considerably deranged and knows not the cause—a critical period in his life. All perils to both sexes are at once removed by recourse to these Pills.

The Kidneys—their Derangements and Cure.

If these Pills be used according to the printed directions, and the Ointment rubbed over the region of the kidneys for at least half an hour at bed-time, as well as forced into meat, it will penetrate the kidneys and correct any derangement. Should the affection be stone or gravel, it is particularly recommended that the Ointment in such cases, be used night and morning, as by its judicious application the most successful cures may be performed.

Holloway's Pills are the best remedy known in the world for the following diseases:—
