**THIS WOMAN
FOUND HEALTH**

**And Escaped an Operation by
Taking Lydia E. Pinkham's
Vegetable Compound.**

Hazelhurst, Ga.—"I have used your remedies for only two months, and they have saved me from an operation. Before I took Lydia E. Pinkham's Vegetable Compound I was so ill from a female trouble that I was forced to stay in bed for a week at a time with weakness and pain, but your medicine has done so much for me that I am recommending it to all suffering women. It certainly is a great medicine and is a sure road to health for women. You may publish this letter if you like."—Mrs. W. C. LITTLE, R.F.D. A, Hazelhurst, Ga.

Women who suffer from headaches, nervousness, backache, the blues and other symptoms of a functional derangement should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial.

For forty years it has been overcoming such ailments of women after other medicines have failed.

If you want special suggestions in regard to your condition, write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of long experience is at your service, and your letter will be held in strict confidence.

THE FARMER AND HIRED MAN

Acton Free Press: There is ample reason for sympathetic interest in the farmer's difficulties in the matter of securing much-needed help on the farms these days. Farmers are said to be willing to pay \$50 a month with board, for hired help. The trouble is to find the man to hire. When he is found and finds the farmer is willing to pay \$50, he asks \$60, and stipulates for an eight or nine hour day like the town and city fellow has. The average farmer is not hard on his man, and the rush of work and longer hours lasts only through the busy season. It is little wonder farmers feel annoyed at the constant cry for greater production under existing conditions. Who can reasonably blame them? Many will be obliged to cultivate less and allow portions of the farm to lie dormant.

TORONTO, April 22—Race track representatives today urged the Ontario provincial government to defer imposing the proposed daily tax of \$10,000 on race tracks until the Dominion Government makes its decision in regards to taxing pari-mutuels machines at the tracks. A double tax they contend would make it impossible to continue racing in the province, either with or without betting. The government promised so consider the appeal.
