## Beauty Night Lamp!

Only Night Lamp ever invented that is absolutely safe and odorless. It is by far the handsomest, safest and most economical and odorless Night Lamp ever invented. Price: 75 cts. each. Post paid: 80 cts. Patented March 23rd, 1909.

For Entries, Doorways, Stairways, Bathrooms, Bedrooms. Can be hung up or it will stand on the table. One filling costs less than 1c. and will burn for 4 nights. It burns ordinary kerosene oil, and from one filling will burn about 40 hours without odour or smoke. Each lamp is provided with about 21 inches of wick. With ordinary care this wick will last several years. The lamp is made of brass, handsomely nickel-plated. They look like an electric lamp when burning, and when not burning, it will afford a steady light throughout stairways, or anywhere; and in case of sickness, it is most valuable. Money cannot buy, neither can there be any substitute. The wicks, if properly used, will last a year or more without being changed.
