THE NICKEL.

WEDNESDAY and THURSDAY.
A FEAST OF PICTURES.
 Gaumont Film de Luxe,
A MAN OF HONOR
 Being an excellent adaptation from the celebrated French Romance, "A Poor Young Man." The scene showing Pierre's leap from the Tower at Savoy is one of the finest situations in this engrossing photo-play.
The Secret of the Forest.
 That Period of the History of France which marks the Reign of Terror forms the background for a very thrilling medi-drama by the Gaumont Company. One very vivid glimpse at the French Revolution is given, and several phases of the great struggle between the aristocrats and the canaille are splendidly produced.
The Golden Supper.
 A Biograph story of the Elizabethan Era.
The Plain Song.
 The life recital of a simple country maiden, who is lured by the glamour of the stage, but realizes in time that the love of her faithful rural boy is better than the attractions of the world. A beautiful film story—cleverly handled by the Biograph players.
The Tribulations of Mr. Jiggers.
 This delightful little comedy tells a most amusing tale of a young man who is disappointed in matrimonial affairs, and takes an unique method of arranging matters.
ORCHESTRA, MUSICAL PROGRAMME, PICTORIAL BALLAD.

The United States Authorities have Removed the Duty from Solignum.

This is indeed a triumph for a British Preparation when a foreign country, with a Protective Tariff like the United States, removes the duty from a British manufactured article, it is not a case of "pull" with the authorities, but a case of real merit. This speaks for itself. And Solignum is only
HALF THE PRICE OF PAINT.
