"Bull" Market!

With customary suddenness the market has sprung from dullness to great activity. Million-share days are evidenced again, and prices are moving rapidly, in many cases showing fifty per cent. advance within a month. Following recent leadership of mining stocks, the Oils are now in the front with the upward move only just begun. We predict that profits as great as in the boom days of 1919 will be made by those who buy at once for the long puil.

Use the margin method—ask about it.

Or lest I should be by and by,

Or any other reason why

TO THE

Civic Electors of St. John's

LADIES AND GENTLEMEN,-

After considerable deliberation on the matter, I have decided to offer myself as Candidate for Councillor in the coming

Despite the fact that I have not had a seat before, I am firmly convinced that I could do much to further the betterment of my native city, if I am fortunate enough to be elected by you. I intend to make a house to house canvass and endeavour to have an individual interview with one and all, as far as time permits, and failing that, please bear in mind that this must stand as my personal appeal.

Should opportunity present itself in a public meeting, I shall be glad to deliver my views on matters of civic improvement. Thanking you in anticipation of your hearty support,
