Kelly-Springfield Tire.

This is a new one which we are informed, is a good purchase
just now.

It has had a checked history from a High of \$164 three years
ago to \$68 in 1920, and from \$152 then to \$32 last year. It is now
around \$52 and soon expected to resume dividends which were
suspended in February, 1921.

This issue might very easily
register a ten-point advance.

We trade on margin at \$10 per Share.
