Sing Village, it was named Mount Pleasant Prison. Several years later bank in New York. Sophie it pirated the name "Sing Sing" from the village. The name became so fastened to the institution that the State formally renamed it Sing Sing

was the only woman ever put to death

Prison. Sing Sing is a name taken from the Indian words "'Ossine, Ossine." It means stone upon stone. That is exactly what the prison is: stone upon adjudged guilty after trial by stone. The town eventually changed its name let the prison have Sing Sirg, and renamed itself Ossining. highest rank was Brig. Gen. Prior to 1877 there was no wall sy, who had organized the around the prison. The old cell-block, cost; more energy; more prolonged with its dingy stone cells that are still in use and its iron-barred doors and obtained command of a and windows, were relied upon to He was caught padding hold the prisoners safely captive. But escapes were so numerous, by cashiered and taken to Sing horse and carriage, by steamboat uniform, bereft of the silver and by train, that the State was hich he had worn on his coat forced to provide further safeguard. After Steve Boyle and four other desperadoes took a lecomotive away from an engineer on the railway, Denis Cassin, in 1875, and fled with it, the 8'kte set about building the twentyfoot wall that now encloses the in-

Fifty-Fifty!

The Secretary of State for Air, Sir Samuel Hoare, told an amusing story a little while ago of an airman who took a friend for a trial flight at a Hendon gathering.

When they were about 3,000 feet up. the pilot executed a nose-dive. "There!" he exclaimed, as he righted the aeroplane. "Jolly "exciting, wasn't it? I'll bet you that fifty per cent, of the people down there thought

we were falling." "Very likely," said the passenger. 'And fifty per cent. of the people up here thought so, too."

PRINCE'S 23 YEARS IN AN ASYLUM

Egypt, a land of mysteries, tragestranger tragedy than that provided by the life of Prince Saiff-edd-in. Twenty-seven years ago, when the Prince was just emerging from his eens, he was in the enjoyment of his great estates and leading the life of an Eastern potentate. His sister was married to Prince Fuad, now King Fuad of Egypt, and to all seeming life was as merry as a marriage bell. But Prince Fuad and the sister of Prince Saiff-edd-in did not live happily together, and one day the lady told her brother a story which, whether true or not, so incensed him that, arming himself with a revolver, he went out in search of Prince Fuad. The pair met; there was a violent scene; the revolver crashed, and the man who was eventually to be-
