THURSDAY EVENING, AUG. 22, 1872

Town and County News.

The Civic Holiday. To-morrow being the Civic Holiday, no paper will be issued from this office.

Mr. John Anderson requests us to say that his bookstore will be open to-morrow for the delivery of the morning papers.

THE HOLIDAY AND THE BANKS.—We are requested to state that the various Banks have agreed to keep open to-morrow until 12 o'clock noon, for the purpose of paying promissory notes only. The Post Office will observe the same hours.

FATAL ACCIDENT.—As Mr. T. W. Foster of Garafra, was riding a horse on the 18th ult., the animal from some unknown cause took fright, casting the young man to the ground. Such were the serious and severe internal injuries that he received from the fall that they have unfortunately proved fatal. What renders the sad event all the more melancholy is that Mr. Foster was shortly to have been married to a Toronto lady.

Y. M. C. A.—The first Public Monthly Meeting of the Young Men's Christian Association will be held in their rooms (Day's Block) this evening. There will be an Essay from Mr. J. M. Dunn, recitations by several of the members, music, &c. Ladies especially, and the public generally, are very cordially invited. It is hoped that as many of the members as can conveniently attend, will be present.

THE CROPS.—A correspondent writes us as follows:—I have just returned from a trip through North Wellington, and the counties of Grey and Bruce; and have ascertained that the hay in those localities is for the most part an abundant crop. The cereals also indicate a productive yield; but I have observed that the turnip crop is a general failure. The best, and without exception the only full crop of turnips I have seen this season is upon the farm of Mr. John Dickie second Con., Puelin.

ACCIDENT.—We regret to learn that Mr. Charles Hawes, Paisley Block, has lost another fine 3 year old colt—brother to the one that died in the Spring from diptheria—by falling into a well, some 12 feet deep. The unfortunate animal must have in some way broken through one of the planks covering the mouth of the well, and in his struggles to extricate himself must have displaced the other planks and thus falling in, have, doubtless, died a dreadful death. A valuable team has by this untoward event been lost to Mr. Hawes and the district.

GRAND ILLUMINATION IN FREELTON.—On receiving news of the result of the contest in the North Riding of West-  
worth, a large number of the Reform electors, who were assembled in Freilton, gave an expression of their joy by a grand bonfire in honour of Mr. Bain, who is deservedly worthy of the position to which he has been elected by such a large majority. Considering the extraordinary efforts made by Conservatives, and the lavish use of money to elect a man who declares himself a supporter of J. A. Macdonald, the result of the campaign shows that the electors of this Riding are not to be bribed.—Com.

DESPICABLE.—We regret to learn that the premises and property of the Guelph Boating Club have been the subject of another of those dastardly outrages which seem to delight those who are either jealous of the recreative pleasures of others, or, from an innate spirit of destructiveness, rejoice in damaging and destroying their property. On Tuesday night one of the boat-houses of the Club was broken into, and two boats taken out, damaged and sunk. The Club have promptly and handsomely offered a reward of \$20 for the apprehension and conviction of the offender or offenders, and we hope to hear that their efforts will prove successful, in the detection and punishment of the guilty parties.

CENTRAL EXHIBITION, GUELPH.—We would remind intending exhibitors that the directors have this year determined that all entries must be made by the 21st September inclusive, any member entering after that date will be charged 50 cents extra up to Friday 28th Sept. when the books will be finally closed. Exhibitors would much oblige by making their entries by the first mentioned date. It should also be borne in mind that the great exhibitions of Ontario follow one another in immediate succession, the Provincial at Hamilton first, then that of Guelph, and finally that of London, at these towns respectively. Extensive additions have been made to the Guelph Exhibition Buildings, which it is anticipated will fully meet the wants of exhibitors, in respect to horses, cattle, sheep &c. Visitors may rely on ample Hotel accommodation as all our hotels are this year in full blast and from what we know of the energy and public spirit characterizing the Landlords the public may rely on having every attention paid to their wants compatible with the occasion. We may mention that the accommodation provided last year was considerably greater than the demands made upon it by exhibition visitors, and yet the number attending the exhibition did not fall short of that patronizing several Provincial ones.

The Civic Holiday.

To-morrow will be our annual civic holiday, and no doubt it will be duly observed as such by all classes. No general programme of the amusements has been provided, but the great feature of the day will be the

INTERNATIONAL BASE BALL MATCH between the first nine of the Guelph Maple Leaf Club, and the famous Red Stockings of Boston, (the champions of the world). The match will commence at half-past two. Admission to the grounds twenty-five cents. We have no doubt there will be an immense crowd present, and no pains will be spared by the members of the club to afford to all the best accommodation.

A few other matches of a friendly kind may be played in the early part of the day.

PROMENADE CONCERT. In the evening the Ventil Horn Band will give a Promenade Concert in the Drill Shed. Mr. Vale has provided an excellent programme, comprising the most popular selections. We hope to see the Concert well patronized. Tickets 15cts, double ticket 25cts.

Base Ball Notes. The Boston Club defeated the Forest City Club at Cleveland, by a score of 12 to 7.

The Atlantics were defeated by the Mutuals on the Union Grounds, Brooklyn, on Monday, by a score of 4 to 3, after a game of 10 innings: Atlantics—2 0 0 0 0 1 0 0 0 3 Mutuals—2 0 0 0 0 0 0 1 1 4

The fifth game of the championship series between the Athletics and the Mutuals was played at Philadelphia on the 19th, resulting in the defeat of the Mutuals score Athletics 14, Mutuals 12. The first, third and fourth were won by the Mutuals with scores of 3 to 2, 8 to 0, 11 to 6; the second being won by the Athletics by a score of 19 to 0.

The sixth game of the season between the Mutuals and Baltimore was played in Baltimore on the 20th. Score, Baltimore 11, Mutuals 5. The report says that the splendid batting of the Baltimore won the game. The following are the runs each innings: Baltimore 4 0 0 1 8 2 0 0 1 1 1 Mutual 0 0 1 0 0 1 2 1 5

The employees of Rainer's Piano manufactory and McLeod, Wood & Co.'s Melodeon manufactory play a match to-morrow, and we hear the employees of Coe's Planning Mill also play a match with a picked nine of the carpenters.

We have been requested to call the attention of the Union 1st and 2nd sides to a practice game to-morrow morning, if possible.

There is a rumor that the Mercury and Advertiser 'boys' are to come together in the morning. Herald boys, please keep off the field.

The Red Stockings and the Stars, local clubs, play a match for a ball on the grounds of the latter to-morrow morning.

Mob Violence in Berlin. BERLIN, Aug. 19. Last evening while the Young Men's Christian Association were holding an open air service on the market square here, the speaker, Mr. Rothwell, and several others were struck and seriously injured by eggs thrown by the mob, which to the number of fully 600 had collected for the purpose of interrupting the service on account of several of the members of the Sons of Temperance, who are also members of the Young Men's Christian Association, having notified the hotel-keepers of the town to close their hotels on Sundays or else steps would be taken to force them to do so. Mr. John Klippert, Chief of Police, arrested one of the parties who was afterwards rescued by the mob. Five arrests have been made to-day, and the cases come before the Mayor on Wednesday next. On two former occasions disturbances have been created, but none so serious as last night. Too much praise cannot be given to the Mayor, Mr. Hoffman, and Chief Constable Klippert for their determined efforts to uphold the rights of our citizens to free speech, and for their energy in quelling a disturbance caused by a crowd of ruffians. It is to be hoped that Berlin may never again be forced to witness so disgraceful a scene as when then enacted.

A Fatal Election Row. On Thursday afternoon last, during the excitement of the election contest in East Hastings, a man named John Win-  
ter was shot at Lonsdale, from the effect of which he died at his residence in Richmond the following morning. It appears that deceased, who was an Orangeman, came from one of the polling places after the close of the poll with a number of his friends to Lonsdale, where there was a large crowd of Roman Catholics congregated. As the wagons containing Win-  
ter and his friends stopped, he and another man got out, whereupon the other party made for them, throwing stones and other missiles at them. During the row two shots were fired, which took effect in the body of Winter, who then walked back to the wagon, and was at once taken home. An inquest before Mr. W. B. Chamberlain, County Coroner. From the evidence it appeared there had long been a feud between the two parties, which unfortunately culminated so fatally on this occasion. The jury returned a verdict of willful murder against James Smith and one Tighe, who are both at large yet, but every effort is being made to capture them.

THIS MORNING'S DESPATCHES

THE BELFAST RIOTS.

An Atrocious Murder.

London, Aug. 21.—A despatch from Belfast this morning says, that during the rioting yesterday, a policeman named Moore was shot and killed; also, a number of other casualties. The mob, when not engaged in wrecking houses, assaulted individuals, and many respectable persons were shamefully treated, including Mr. Bergin, editor of the Northern Star, a Catholic journal. All the schools in the city, and most of the mills have been closed. Nine magistrates are now on duty. Although the streets were patrolled last evening by the military, crowds collected, and the excitement and rioting continued. Thirty rioters were arrested and lodged in gaol. At midnight the city was comparatively quiet, though occasional shots were heard. Several personal encounters between rioters and special constables are reported to have occurred.

London, Aug. 21.—A despatch from Belfast last evening says the city was quieter than it had been during the day, though the rioting was not ended. Prisoners captured by civic and military authority were conveyed to gaol under a strong escort of troops. No demonstrations towards their rescue was made. The municipal buildings were strongly guarded and the streets of the city patrolled by cavalry during the day.

Belfast, Aug. 21.—The hopes of restoration of quiet which were excited yesterday, by a rather more peaceful state of affairs, have not been realized. The conduct of the city, as shown by reports received at headquarters, was worse than ever last night. The authorities are powerless against the depredators, though supported by an armed force of fully five thousand men. The school houses have been destroyed; and it is with the utmost diffidence that some of the churches are preserved from sharing their fate. Grave mismanagement on the part of the authorities is suspected, and the general dissatisfaction is so great that the respectable citizens intend forming a Vigilance Committee for the arrest and summary punishment of the offenders.

Marysville, Mo., Aug. 22.—An atrocious murder was brought to light the day before yesterday by the arrest of a man named Osborne at Clermont. Osborne was travelling with a team and a covered wagon, and stopped for some purpose, when some men were attracted to the wagon by the stench proceeding from it. When the wagon was examined five dead bodies were found. Osborne confessed, at the end of a rope, that the murders were committed by one Williams near Holton, and that he, Osborne, was employed to take the bodies away, and that he had travelled five days with his load. The victims are supposed to be Mr. Oms, his wife and two children, and a young man named Dickinson, who is a brother of Mrs. Oms. It is thought Osborne will be executed by the people who have him in charge.

Ravages of an Escaped Rhinoceros. CHICAGO, Aug. 16.—A letter from Red Bird, a small town in Monroe county, Ill., gives a thrilling account of the escape from its keepers of the rhinoceros belonging to Warner & Co.'s menagerie and circus on the occasion of its being brought into the ring for the first time. The showmen had prepared the animal for exhibition by attaching to a ring in its nose two strong wire ropes, and twenty-four men were deemed sufficient to control the beast. It submitted quietly to being led from the cage, but on entering the arena suddenly threw up its head and plunging madly to the right and to the left, broke loose from the men and dashed forward through the tents. Its first victim was John Gillem, a canvasser, who was knocked down, and the beast trampling upon his breast, he was killed instantly.

It next ran its nose against Martin Ready, another canvasser, striking him in the stomach, ripping out his bowels, and killing him on the spot. It then made a dash in the direction of the seats, which by this time was cleared by the frightened spectators, and knocked down nearly all of the seats on one side of the tent, dislocating the shoulder of one of the employees and breaking the arm of a spectator. Running next into the menagerie tent, it upset Mr. Forepaugh's den of performing animals, after which it struck the centre-pole with its head, bringing it down with a crash upon the ropes of the tiger and leopard, but not breaking them so as to allow the animals to escape. Dashing into the museum tent, it broke all the curiosities, frightened all the people in the neighborhood, and rushed out through the canvas into the street, finally stopping in a vacant house, the door of which stood open. Here the men succeeded in capturing the animal and getting it into a cage. The damage to the show was about \$3,000.

ATLANTIC MONTHLY.—We have received the September number of this very popular magazine. It presents a great variety of most interesting reading matter. The contents are:—A day in a Japanese Theatre; Thomas Jefferson as a sore-head; Part 9 of a Comedy of Terrors; Nuremberg; An Old Friend with a New Face; Aunt Roy's Chest; A Western View of Inter-state Transportation; Part 9 of the Poet at the Breakfast Table, and the customary reviews, and gossip on art, music, science and politics. There are besides a number of beautiful pieces of poetry in this number, which is for sale at the bookstores in Town.

Local and Other Items.

GAZZI, the great Italian preacher and reformer, is announced to lecture in the Centenary Church, Hamilton, on Friday night.

DEATH OF A CENTENARIAN.—Mrs. Taylor, the oldest person in Peterboro county, died on Wednesday, at the residence of her son-in-law, Mr. Wm. Arnold, Ladfield, aged 101 years, and 4 days.

DO TELL.—Will the Guelph Herald rise to explain, and inform the public what success has met its efforts to reconstruct the representation of this section of Canada. Three Wellingtons, two Waterloos, two Wentworths, one Peel, all Reform. This turn-out business is not a success either on the platform or in the Press. The last "spiteful fling" of the champion contortionist was against Mr. Sturton in Monday's Herald. Poor fellow, he's in a sad plight.—Galt Reformer.

THE QUEBEC POLICE.—The Provincial Police had a grand thanksgiving Mass on Monday, celebrated for having escaped so luckily during the Quebec Centre election riots, of the 5th inst. In noticing this, the Chronicle says the cuts and bruises of the rioters of the 5th inst. distributed among the force were numerous, and a liberal share was borne by the English speaking members of the force, which they bore while protecting a French candidate. It has been suggested that the uniforms hereafter be wadded for the better protection of the men.

MARRIAGE OF THE ILLINOIS DWARF.—Everybody will remember Col. Joseph Leffel, who passed through Canada on several occasions on exhibition. He is forty-five inches high, weighs fifty-five pounds, and is thirty-eight years old. He sports a handsome moustache and imperial, and unlike the other diminutives of Thumb, Nutt, Dot, &c., his face is manly and his features strong, his mind is fully developed, strong and vigorous as his years demand. To love is human, to marry is divine. The lady whom Col. Leffel selected as the partner of his joys and sorrows is Miss Evidine Beasley, who is but five or six inches taller than himself, weighs seventy-five pounds, and is twenty-three years of age.

THE ALLEGED HORSE STEALING CASE.—Yesterday evening we published a paragraph with reference to the stealing of a horse, which should have read St. Catharines instead of Guelph. When Detective Rousseau brought in Turnbull with the horse and buggy, the Chief of Police telegraphed to Mr. W. W. Huff, the owner, who keeps a livery stable in St. Catharines, and he came on at once. It seems that some days ago Turnbull, who was formerly a deckhand on the propeller America, got the horse from Huff, alleging that he was going simply to the village of Jordan, and would be back that same day. Not returning, and Huff being apprehensive, he got out a hand-bill giving a description of Turnbull and the missing "rig." When Huff came down and heard a plausible story from Turnbull, he refused to prosecute and took the horse and buggy home.—Hamilton Times.

Centre Toronto Carried. Mr. Wilkes's Majority 29.

Centre Toronto has been carried by the Reformers. Speaking of the contest the Globe says:—

"Mr. Wilkes's supporters went early to the polls, and by half-past nine his election was assured. In the afternoon, however, by means of bribery and personation, Mr. Shanly's friends succeeded in largely reducing Mr. Wilkes's majority. To such an extent were these practices carried that it was at first deemed necessary for Mr. Wilkes's scrutineers to require every person, without exception, who came to vote, to be sworn. There were persons who speculated in votes as they would in cattle, keeping several men together and paying them to vote until a good price could be got for them, when they would be sold in tens or dozens, and both the speculators and voters would share in the ill-gotten profits. While the procession in honor of Mr. Wilkes's victory was passing the Leader office, some of the Tories tried to raise a row. Stones were thrown by several of the mob, and the police, fearing serious consequences, drew their "loaves" and quickly dispelled it. In the evening a large number of persons expressed their joy at the result of the contest by kindling several bonfires at different points in the division.

The following figures show the state of the polling during the day:—

THE "NORTHERN COURIER."—We have received the prospectus of a new Reform journal, to be called the Northern Courier, and published at Parry Sound, in this Province, by A. Stephens, M. D. The editor says he is desirous of supplying a want that has been felt in that locality, and by the people for some time, viz.: a local journal giving reliable information respecting the rapidly growing and important free grant district of Parry Sound.

DEMORSEY'S MONTHLY.—This attractive magazine, for September, presents a rare variety of original subjects on fashions. In fact, it is the acknowledged leading fashion magazine of the day. We commend it to the attention of the ladies. The illustrations are got up in a superior manner, and in light and useful reading it furnishes a fair share. Copies can be had at the bookstores.

OUR YOUNG FOLK.—Messrs. Osgood and Co. have sent us the September number of this favourite juvenile magazine, which instructs while it amuses, and is withal a most agreeable companion for the young folks. For sale at the bookstores.
