BASE BALL.
PROFESSIONAL GAMES.
In a game in Philadelphia, on Monday, between the Athletics and Baltimore clubs, it took thirteen innings to decide the contest. The Athletics claimed they had won on the 11th inning, but the umpire decided unfavorably for a run of McMillan's. The umpire was severe on the pitchers, and seemed to show little or no judgment on close decisions. The following are the results:
NEW YORK.
Athletics 4 2 2 2 0 0 0 2 1 1 1
Baltimore 4 0 0 0 0 1 1 3 0 1 1 2
LOCALS.
Reports from Kingston say the reason the Maple Leafs sustained such a defeat in the hands of the Kingston club was because they had an American pitcher and catcher to face; and were also weakened to a very great extent by the sickness of Charley Maddock, his place being filled by Howard as catcher, with Colson pitching, thus manœuvring the nine to a great extent in the field.
The following are the runs each team made in the Guelph vs. Oshesburg game played in the latter place yesterday afternoon. A decided improvement is noticed in the score, the Yankees having been "brushed" five times during the game:
Oshesburg 4 2 2 2 0 0 0 6-10
Guelph 0 0 3 3 1 5 1 0 1 5-19
The most interesting game takes place this afternoon with the Ottawa nine. We hope all hands are in good trim. Mr. Anderson will hang out his bulletin board immediately on receipt of the dispatch.
LACROSSE.
The Shamrocks have returned home, their tour being a failure. They and their backers have lost both money and time, and owing to a disagreement as they came down, left the Indians sulky at Toronto. They failed to carry out their intention of reaching Chicago.
CRICKET.
MOUNT FOREST and ORANGEVILLE had a very exciting cricket match on the latter's ground on Saturday last, resulting in favor of Mount Forest by 8 runs. The score at the close stood: Mount Forest 129, Orangeville 126.
FORMATION OF A GUELPH LACROSSE CLUB.
MEETING IN THE QUEEN'S.
The above meeting was held as announced last night in the Queen's Hotel, at which a good number were present. After the announcement of the object of the meeting, about twenty-five persons gave in their names as members. Mr. C. Taylor was appointed Secretary pro tem. After some talking over matters, the election of officers was proceeded with, when Mr. A. W. Wright was appointed President; Mr. A. Armstrong, vice do.
It was then moved and seconded that Mr. Lot Roe be Secretary, and Mr. Geo. Watson, Treasurer, which was carried.
Mr. Wm. Hower, Mr. Robt. Howard and Mr. Rainer were appointed Field Committee.
It was also decided that the admission fee be 50 cents, and the first regular meeting be held on Friday, the 25th inst. After considerable discussion and a great many names suggested, it was finally agreed that the club be known as the GUELPH BEAVER LACROSSE CLUB.
The meeting then adjourned, it being considered the wisest plan to leave over all the other business until the meeting on Friday, when it is hoped there will be a full attendance of members and others wishing to become such.
MANUFACTURE OF COCOA.—We will give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Euston Road, London. See article in Cassell's Household Guide. '2906mdw
To CURE A COUGH, to relieve all irritations of the throat, to restore perfect soundness and health to the most delicate organizations of the human frame—the Lungs—use Dr. Wistar's Balsam of Wild Cherry, which is still prepared with the same care in the selection and compounding of its various ingredients as when it was introduced to the public by Dr. Wistar, over forty years since.

WISTAR'S BALSAM OF WILD CHERRY
THE GREAT REMEDY FOR CONSUMPTION
which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
