

M'GUGAN-STEADMAN NUPTIALS CELEBRATED

A Pretty June Wedding Was
Solemnized at Bride's Home
Near Wanstead.

[Special to The Advertiser.]
Wyoming, June 19. — Maple Hill Farm, the home of Mr. and Mrs. M'Gugan, was the scene of a happy event last evening, when their only daughter, Miss Lena Mary, became the bride of Mr. Wilbur S. Steadman, youngest son of Mr. and Mrs. Thomas Steadman of the Iowa line. At 8 o'clock the bridal party entered the parlor, which was tastefully decorated, and took places beneath a green arch, hung with flowers and bells.

The bride looked very charming in a dainty gown of white net over white voile, trimmed with silk ribbon and silk ball fringe, with a white veil, and carried a bouquet of lilies of the valley and white roses.

The bridesmaid, Miss Anna Turner, of Stratford, wore white allover embroidery, with Irish insertion and satin ribbon trimmings, and also carried flowers.

Little Verna A. Brien, cousin of the bride, dressed in pale blue silk, made a charming flower girl. Miss Velma Dewar played Lohengrin's Wedding March most acceptably.

The groom was supported by his brother, Mr. Roy Steadman, of Sudbury. The ceremony was performed by Rev. T. P. Fowler, of West Lorne.

The bride's going away gown was of blue ladies' cloth, with white hat, trimmed with white satin ribbon and carnations.

The bride, who was a valued member of the choir of Calvary Church, was surprised by a miscellaneous shower on Friday evening, and a very jolly time was spent.

Among the guests from a distance were: Mr. and Mrs. William Dewar, of Basswood, Man.; Mr. and Mrs. John Dewar, of Emmett, Mich.; Mr. and Mrs. A. McKinney, and Mr. and Mrs. W. B. Smith, of Woodstock.

Other friends were present from Petrobrua, Sarnia and Wyandham. The young couple will be at home to their friends after July 15.

JUNE THE COSTLIEST MONTH

It Costs More to Live in This Month
of June Than in Any Month for
Many Years.

According to trade authorities in Canada and the United States it costs more to live in this month of June, 1912, than in any month for many years.

Some people claim, in fact, that the cost of living is higher than at any time in the history of the Dominion.

The prices of food products are the highest on record. The average increase in the price of food products to the consumer is nearly twenty per cent, which means that the housewife must pay six dollars to fill a market basket that only cost her five dollars a year ago.

The biggest advances have been in meat products. When the price of meats was advanced at Chicago the packers promptly announced that there was a shortage in live stock. The Department of Commerce and Labor at Washington declares, however, that the receipts of live stock at seven of the principal western markets, for the month of April were greater than those of any April since 1907. The same is true of receipts of live stock at four principal Atlantic ports.

These figures would indicate that there is no excuse for the advance in prices. Various legislative bodies and several commissions have started investigations to ascertain the cost of the high prices of food products, but while these studies are investigating the consumers must go right on paying top-notch prices for food.

The question of immediate interest is how to meet these conditions in the average home. The problem is to be solved in a wider knowledge of food values. The public must be educated in dietetics. People must be shown that the more expensive foods, such as meats, are not needed in summer.

In fact, they are not needed at any time. There is more real body-building nutriment in cereals and fruits than in meats, and they are much more healthful and wholesome. Two sardine wheat biscuits eaten with milk or cream and some fresh fruit, will supply all the nutriment needed for a half day's work or play, at a total cost of five or six cents. These biscuits contain all the tissue-building material in the whole wheat grain, and are digestible by steam-cooking, shredding and baking. Being in a soft form and ready-cooked, it is so easy to prepare a delicious, nourishing meal with them in combination with berries or other fruits or creamed vegetables.

These figures would indicate that there is no excuse for the advance in prices. Various legislative bodies and several commissions have started investigations to ascertain the cost of the high prices of food products, but while these studies are investigating the consumers must go right on paying top-notch prices for food.

the degree of Doctor of Music, a rare honor coming from this source. Since medieval times the Archbishop of Canterbury has possessed the power of conferring degrees, but it is rarely exercised with musicians in the outlying Dominions, although some years ago Dr. C. A. C. Harris, of Ottawa, was the recipient of a similar honor.

MR. W. E. RIDER IMPROVED

Condition of Former Detective Has
Been Causing Uneasiness of Late.

Mr. William E. Rider, formerly of the city detective force, who has been in ill health for some time, is again confined to his home at 200 Albert street, and is under the care of Dr. Shuchter. His condition is reported as showing some improvement today, however.

A newspaper partnership that has lasted for nearly the allotted span of man's life is that of the publishers of the Fall River (Massachusetts) Daily News, Franklin L. Ains and John C. Mine. They have worked together, as printers and publishers, for 67 years.

HOW DAYTON LADIES CURE THEIR CORN-PINCHED TOES.

Miss M. Lukey, of Zena avenue, Dayton, Ohio, writes: "Before using Putnam's Painless Corn Extractor, I was quite laid up with corns, and could not even stand the pressure of a loosely buttoned shoe. I applied Putnam's 'Extractor,' and in a miraculously short time I was completely cured. I take great pleasure in recommending your valuable remedy to my friends." Putnam's Corn Extractor in 25c. bottles, sold by druggists.

MRS. SCOTT'S SUFFERING OVER

Doctors Advised An Operation.
How She Escaped
Told By Herself.

Buckner, Mo. — "For more than a year I suffered agonies from female troubles and the doctors at last decided there was no help for me unless I went to the hospital for an operation. I was awfully against that operation, and as a last resort wrote to you for special advice and I told you just what I suffered with bearing down pains, backache, shooting pains in my left side, and at times I could not touch my foot to the floor without screaming. I was short of breath, had smothered spells, felt dull and draggy all the time. I could not do any work, and oh how I dreaded to have an operation.

"I received a letter full of kind advice, which I followed, and if I had only written her a year ago I would have been saved so much suffering, for today I am a well woman. I am now keeping house again and do every bit of my own work. Every one in this part of the country knows it was Lydia E. Pinkham's Vegetable Compound that has restored me to health, and everywhere I go I recommend it to suffering women."

—Mrs. Lizzie Scott, Buckner, Mo.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
