Sound Nine Whinfield Allows But Four Hits, Wilson's Homer Wins

Morden, Who Hurled No-Hit, No-Run in First, Not So Good As Usual.

Special to The Advertiser.

Owen Sound, Sept. 25.—In one of the most interesting games ever seen on the home diamond, Owen Sound defeated Wingham in the second game of the final for the North Wellington Baseball Association senior championship by the score of 3 to 1. The win was well deserved as the home team played fine ball throughout. At no eage of the game was any outstanding miscue noticeable. The win today ties the series, Owen Sound having lost the game in Wingham last Saturday, 5 to 0.

The oustanding players were Whinfield docause of his masterly pitching throughout the whole nine innings. His achievement of holding down the heavy hitters of the Wingham team to only four hits entitles him to much of the credit for the victory. Wilson, Owen Sound left fielder, made a remarkable catch of what looked to be a sure home run, and his quick return to the infield completed an almost impossible doubleplay. His good work was rounded out almost immediately after by hitting a home run, which clinched the game.

Morden, the Wingham pitcher, did and show up as well as in the former game, when he held the Owen Sound team nitless. His luck, however, did not hold good today, and when the Owen Sound team connected, hits meant runs.

A. SEN. TITLE BY DEFAULT

Tired of Way Guelph Has Put Off Games, Kitchener Eleven Withdraw.

Special to The Advertiser.

Kitchener, Sept. 26.—The management of the Kitchener Rangers soccer team today announced that they would not participate any further in the senior W. F. A. series. The Kitchener cub has written the W. F. A. to that cifect, and claimed the senior title, owing to the fact that Guelph failed to be ready to play last Saturday, when the final of four games was scheduled.

Two of the games were played in July, as scheduled, but the August games drifted until September. Then the W. F. A. set dates, but Guelph did not keep them. New dates were set, and in the first of these games Kitchener increased their lead from one to three goals. The final game, scheduled for last Saturday at Guelph, was poxponed, after the Kitchener team had called off a Mac and Casey cup game with Hespeler here.
