unbounded, labored in his speech like a distressed ship in a stormy sea. The speech of Mr. Turner was one of hope; that of Mr. Beaven of despair. The formed in the English House of Commons. Its provisions are as follows :--Where a boy under 16 years of age is convicted of au that of Mr. Beaven of despair. The former, in keeping with the policy of the government of which he is a member, looked forward to the progress of the country through liberal, and wise expenditures, to the opening up of the interior, the providing necessary public works, the placing within the easy reach of all educational privileges of a suitable character, of, in short, advancing the destinies of the province in keeping with its growing importance. To lie idly with its growing importance. To lie idly be either in addition to or in substitution on our oars at this time when "progress" is the watchword everywhere would be Nanaimo, April 8, 1888. ARRIVAL OF THE PARTHIA. the veriest folly; money must be spent. whipping in the sentence, may not exceed the veriest folly; money must be speak, and spent judiciously, if we are to secour hopes realized. Mr. Beaven cannot be said to have shone in his speech yestenday, and really failed to find any vulnerable point of attack in that of the Finance The C. P. R. and the Hong Kong Chamber of Commerce-The former Route Desir-able on Mercantile and Military Grounds. [Special to THE COLONIST.] and to have shone in his speech yesterday and really failed to find any values also be specified in the sentence; and in the case of a youthful offender it is to be be inflicted after the expira-tion of six months from the passing they will obtain that extrest consider-tion of six months from the passing cal status of the gountry in which he removed to a couvit prison with twes, and in the admirable agreech of the second term the indication Position that the task be fore him was anything hut an agreesh one. After an easy on "faggest" is how they sentence of the fact the task be fore him was anything hut an agreesh one that the flates information proceeding, suggestive of the fact that the task given out. A tamer attack on their pass at so impertant a stage of the proceeding was never known in the history of at so important a stage of the proceedings was never known in the history of the Legislative Assembly. It was because the government held the key to the position. June, on which date the subject was to come up for discussion in parliament. The members are aware that when the Legialative Assembly. It was because the government held the key to the position. THE ENGLISHMAN WON. An amusing story is teld in connection with an English officer who recently passed through Belfort, a well-known fortress in France. Previded with letters of introduction to the officer in command, he was treated with great distinction, and as mong other interesting experiments he was invited to witness the efficiency of "the dog corps," their training quarters being at that stronghold. The dogs are huge animals, mainly of the staghound and coolie breed, crossed with the English bulk.

CAPITAL NOTES. wrappers, or coverings, but a distinctive motto to be on each. Such plans were not to exceed a cost of \$35,000. Now it is a well known fact that at least one plan, if not more, was received several days after the advertised time; and, fur-thermore, that the name and address in full were on the wrapper of the plan, which New York "Tribu ints on the Behring's Sea Disputes.

doubts that environ the city, and each ono is attached to a sentinel. Sometimes a sham German creeps up or saunters along. The dogs fly after him with such zest that, as a rule, the soldier has to take to the nearest tree for safety. The English offi-cer appeared to be much pleased with the result, but was very skenticel when the

cer appeared to be much pleased with the result, but was very skeptical when the Frenchmen claimed that they could send the dogs from the outpost to advanced patrols with messages and receive an an-swer in due course of time. The English-man doubted the statement to such a point as to lead to an animated discus-sion, and a wager for a punch and eigars, the experiment to be made on the fol-wing morning. The French officera came to the rendezvons in carts especially constructed for the transportation of the

constructed for the transportation of the dogs, and wrote their messages and at-tached them to the collar in a small

dogs, and wrote their messages and at tached them to the collar in a small leather pocket-book. The Englishman looked on with a quizzical smile and ap peared highly amused, when, under in structions, the dogs started off at a run to various points on the advanced line where were stationed the patrols. The hounds ran true for a couple of hun-dred yards, when, to the astonishment of the Frenchman, they all broke off at a tangent and began running round in a large circle in a state of furious excitement. The instructors went to investigate the matter, but could see no reason for the dogs strange movements. After some trouble and delay they were brought back

OPIUM SMUGGLING. r (Special to THE COLONIST.) SAN FRANCISCO, April 9. Custom officials made a seizure of prepared opium this affernoon valued at \$3,000. Th seizure was made on the dock of the Pa-

cific coast steamship company, where three suspicious looking cases, consigned from Victoria to a Chinase firm here, and alleged to contain household effects, were found. The cases were examined the above result. A member of the
