TURKISH EARTHQUAKES

Further Reports About the Damage Done. Simla, Sept. 26.—Further reports received here regarding the earthquake in Eastern Turkey, lasting from August 22 to September 3, show that besides causing other damage, the cities of Artush, or Artosh, west of Kasgar, were reduced to ruins, that 687 persons were killed, and that 1,000 others were injured.

More Evidence of Free Whiskey Given in Lisgar Election Trial.

Winipeg, Sept. 27.—(Special)—The Lisgar election trial was adjourned today until October 7, when it will be resumed at Manitow. Nothing of a startling nature came out from the last witnesses, beyond the fact that the whiskey had been used freely among the electors.

Montreal, Sept. 27.—(Special)—The Patrie rejoices in its editorial columns today over the endorsement of Mr. Tarte by Premier Ross. It demands whether the Globe and other Liberal critics which have so condemned Mr. Tarte will apply the same disciplinary measures to the Premier.

London, Sept. 27.—The official announcement regarding the termination of the tobacco war shows that the assignment of the British and American companies to be known as the Imperial Tobacco Company, in which both the Imperial and American companies are represented.

MURDERS IN NEW YORK

Another Added to the Long List of Crimes of Recent Date. New York, Sept. 27.—J. B. Craft, a wealthy resident of Glen Cove, L. I., was murdered today and his body was capitulated in a tenderloin room known as the Empire Garden Cafe, in West 24th street, within a few doors of Broadway.

Another peculiar circumstance of the strange story is that the convicted murderer testified that he had met a man at Chas. Rosenberg's cabin on Unimak Island with a tattooed star on the back of his left hand.

FOR MORE PROTECTION

Mr. Tarte's Organ Says Tariff Reduction Would Mean Black Ruin. Montreal, Sept. 26.—(Special)—The Patrie published an appeal to Canadians not to be deceived by the arguments of the Toronto Globe, Montreal Witness, and Ottawa Free Press, who favor a reduction of the tariff. "Reduction," that article, "would mean black ruin. Not only the present tariff cannot be reduced, but the time has come to revise it and even to increase it on certain articles."

Complaint of Shortness of Cars at Lethbridge for Coal Shipments.

Montreal, Sept. 26.—(Special)—The Patrie published an appeal to Canadians not to be deceived by the arguments of the Toronto Globe, Montreal Witness, and Ottawa Free Press, who favor a reduction of the tariff. "Reduction," that article, "would mean black ruin. Not only the present tariff cannot be reduced, but the time has come to revise it and even to increase it on certain articles."

Lord Minto and Party in the Northwest Duck Shooting.

Montreal, Sept. 26.—(Special)—Mr. Schreiber, deputy minister of railways, has made an inspection of a number of new lines in the West constructed by the C. P. R. Mr. Schreiber went as far West as Field, B. C., and examined the division of the C. P. R. between that point and Otter Tail, a distance of seven miles being inspected. He also found all the new work in good condition and authority was given to operate them.

BUDDHIST APPEAL

Claims British Will Desecrate Shrines in Ceylon. Los Angeles, Cal., Sept. 26.—Anagarika H. Dharmapala, Buddhist representative to the United States, has just arrived in Los Angeles from Ceylon, en route to London. He has addressed a communication to the United States press, calling their attention to what he terms "the outrageous action of the British officials in Ceylon, in threatening to desecrate the ancient shrines in the sacred city of Anuradha, which is to the Buddhists as great as Mecca is to the Mohammedans."

SEATTLE MAYOR
