MISS FRANCES FISH

LEADS HER CLASS.

The results of the terminal examinations at the Dalhousie Law School shows that New Brunswickers there are upholding the standing of former students from this province in leading their class. Miss Frances Fish, M. A. daughter of ex-Mayor Charles Fish, of Newcastle, and a graduate of the U. N. B., has the distinction of leading her class of second year students in no less than four subjects, Sales, Agency, Partnership and Procedure, while she was second in two other examinations, Insurance and Wills and Administrations. Miss Fish also secured first division honors in Equity, Bills and Notes and Evidence. Miss Fish is the only New Brunswick lady engaged in the study of law at the present time. Two Nova Scotia ladies are also students at the Dalhousie Law School. Miss Fish is well known here and friends will be pleased to learn of her success.

The wife of a merchant had stomach trouble so bad she could eat nothing but toast, fruit and hot water. Everything else would sour and ferment. ONE SPOONFUL buckthorn bark, glycerine, etc., as mixed in Alder-ka benefited her—INSTANTLY. Because Alder-ka flushes the ENTIRE alimentary tract it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICKEST action of anything we ever sold. A. McG.
