Impossible to be Well

It is impossible to be well, simply impossible, if the bowels are constipated. You must pay attention to the laws of nature, or suffer the consequences. Undigested material, waste products, poisonous substances, must be removed from the body at least once each day, or there will be trouble. A sluggish liver is responsible for an immense amount of suffering and serious disease. Ask your doctor about Aver's Pills. He honey why them. your doctor about Ayer's Pills. He knows why they act directly on the liver. Trust him. J.C. Ayer Co., Lowell, Mass.
