Why should any other cereal be called "just as good" as

Because Kellogg's is known to be the best and most nutritious cereal on the market

Because the sale of Kellogg's Corn Flakes

Because another large modern factory, the best and most sanitary in Canada had to be built to take care of our constantly in creasing trade—

Because the imitator, knowing these facts and having few selling arguments for his own product thinks to create a market for it by *comparing* it to Kellogg's:

But---the flavor and the sustaining qualities of Kellogg's Corn Flakes cannot be counterfeited. Sold in big packages at 10c. Look for the signature.
