condition in the country. Straight rollers continues firm at \$4.45 to \$4.50 and extras \$4.15 to \$4.20.

GRAIN—The grain market presents no change, the dull feeling continuing on the whole. In Liverpool wheat was firmer, and the weak feeling in the U.S. also showed an improvement, closing in New York at an advance of \$6c for July, \$6c for August and September. We quote No. 2 white at \$9c to 98c on Northern, spring \$9c on Northern, manitoba hards \$1.16 to \$1.18. Oats were again weaker to-day, owing to limited demand, and mixed only brings \$7c outside and 40c on track, with white at \$75c to 38c outside. Barley continues dull at 48c for No. 3. Peas were a ittle easier to-day and transactions were recorded at 50c and 605c. Bran is unchanged at equal to \$11.50 here and outside and \$12 on track.

PRODUCE AND PROVISIONS—The butter market continues without any new feature. All choice lots are meeting with a ready sale at 18c to 18c for large rolls and 18c to 14c for best tub. The agg market is firmer in view of light receipts and 18c is the general fluxer. In provisions smoked hams and lard are moving quite freely in a general way at 12c for the former and 94c to 10c for lard. Mess pork is quiet at \$16.52 and short cut \$18.75 to \$17, with dealers looking forward to an improvement, as slocks are very small in the country. There is little doing in cheese at \$96c to 95c. Potatoes have recovered somewhat from the break of the past few days and 58c to 55c for cars is now about the ruling figure. Prices of hides are unchanged.
