Ufford's Smoke Consuming Patent Lamp.

Is warranted to produce, without smoke and with only the poorest quality of oil or grease, at an expense of less than half a cent per hour, a light equal at least to four wax candles. Extremely simple and durable, less injurious to the eyes than any other artificial light, and will prove the truth of these statements.

Price \$1.25, \$3c. 67c.
We have one of the Lamps in use, and are able to conform to the favorable testimony of the Traveller, having found it answering well to what it claimed for it. (Puritan Recorder.)
No person who has ever tried one of the Lamps would be willing to give up ten times its cost, if it could not be replaced. [New England Farmer.]

Cancers Cured without Pain!

FOR this terrible scourge on man a remedy is found, which has never failed to cure when fairly tested. The knife and pliers are both uncertain and painful, when this antidote, chymic like, removes all cancerous virus from the system, when the cancer, internal or external, ceases to be. Females are doubly liable to this malady, and should, at its earliest intimation, avail themselves of this remedy. It is but safe to conclude that the number who die annually of this hidden foe, is equal, if not surpassing, those on which it is apparent only on the surface. Calls at a distance will be considered. Apply by letter or otherwise to Dr. S. BRUCE, No. 15, Montgomery Place, Boston.

E. D. SPEAR, INDIAN DOCTOR,

18 Kneeland Street, BOSTON, Mass.
THE great success which has ever attended the Indian Practice of Medicine, as perfected by E. D. SPEAR, M. D., excites envy in the hearts of the many advocates of Mercury. Many of his remedies, as the public have already learned from newspapers of the day are prepared from recipes which are believed to have originally been received from the Indians one hundred and seventy years ago. No other remedies deserve the name of Indian.

Stammering Cured!

DR. BRONSON, AND C. C. BEERS.

ARE happy in announcing that STAMMERING can be PERMANENTLY CURED by Medicine and Vocal Gymnastics. It is first treated as a Nervous Disease, (like St. Vitus' Dance, Epileptic Fits, &c.) and then the habit, incident to the disease, is corrected by exercises in Elocution. Mr. Beers has been an inveterate stammerer for thirty-five years; has attended many institutions for the cure of stammering, and expended hundreds of dollars without any permanent benefit, but cured himself, 18 months ago, and has ever since remained so: With the same means, we have cured others, to whom we would gladly refer any applicant—not having failed in a single instance. Being satisfied from reason, experience, and observation, that stammering is the effect of a Nervous Disorder, and can be perfectly cured by the above means in the course of two or three weeks, we assure all interested in these gratifying results, and guarantee a permanent cure, or refund the small fee paid in advance: Those desiring further information on these subjects, (including terms, guaranty, &c.) can obtain it from our New York, just issued, on Stammering, its Effects, Causes and Remedies. Illustrated by One Hundred Engravings: Price One Dollar; on the receipt of which the Book will be sent without expense, and the money thus paid will be credited in the bill for Treatment. Board, etc. furnished on reasonable terms—Address BARNES & BEERS, 186, Washington-street, Boston, Mass.
