

Know All Women BY THESE PRESENTS, THAT while sundry and almost countless imitations of and substitutes for Enoch Morgan's Sons Sapolio are offered by unscrupulous parties, who do not hesitate to represent them as the original article,

This Indenture WITNESSETH, That there is but one Sapolio, to wit:—the original article manufactured by the Enoch Morgan's Sons Co., of New York, unsurpassed in quality, unexcelled in popularity, and widely known not only through its own merits, but through the many original modes which have been adopted to introduce it to the attention of the public. Imitation is the sincerest flattery. Cheapness is a poor proof of quality. Cheap imitations are doubly doubtful. The most critical communities are the most liberal purchasers of Sapolio which they invariably find to be worth the price they pay for it.

IN WITNESS WHEREOF, we hereby affix a great seal and our corporate title.
