

THE IDEAL MATTRESS

Must, of course, be eminently soft, buoyant, and comfortable. In addition it must be durable, non-absorbent, vermin proof, and so well made it will not work out of shape.

All these good qualities are found in the Patent Elastic Felt Mattress made only by THE ALASKA FEATHER & DOWN CO., Limited, 290 Guy street, Montreal, and obtainable through any respectable furniture or bedding dealer.

If substitutes are pressed upon you write direct to the makers and you will be promptly served.

A Home Production

(Formerly the California)

Our display of new and worn-out Shoes and Dies, on exhibition at the Mining Fair held in this city recently (January 29 to March 5), was pronounced the best they had ever seen by scores of experienced mining men hailing from various points along the Pacific coast from Alaska to Mexico, and from Australia.

We most confidently believe that our goods are not surpassed in wearing qualities by any others on the market, and we doubt much if they are even equalled.
