## SPECIAL OFFER FOR 1880.

---

The next volume of CHURCH WORK begins in March, and as we are particularly desirous of bringing our circulation up to 10,000, we are now making special efforts in its behalf.

At the earnest solicitation of many well-wishers we have decided to omit "Business Notices," "Acknowledgements" and everything else which might in any way hinder the paper from being localized, and to offer every clergyman who sends us fifty names, with the money, to include covers free of charge.

The clergy will be able, if they so please, for a small sum in addition, to get printed at their local printing office, (and a few advertisements on the back of cover will pay for it,) any local matter which they may wish to bring to the notice of their people. The paper will be issued regularly fifteen days in advance of the date of publication, which will ensure abundant time for any local work upon it.

Samp'e of covers may be had on application to this office.

All the Bishops, and, as far as

we know, all the clergy of Canada and Newfoundland, endorse CHURCH WORK; and by many its advent is looked for with interest and pleasure.

It has done, so the clergy say, and is doing a good work for the Church and Christianity.

Every parish in the land can now have its own Parish Magazine.

And, as the price is only 30 Cents a year, every family, even the poorest, is in a position to subscribe for it.

If the clergy will only give CHURCH WORK a trial they will be surprised at the good results attending its introduction.

Let their be no delay, let some one in each parish set to work once canvassing, and send your orders,

AMONG the many blessed passages in Holy Scripture, inciting us to work for our Dear Master, there is none more full of glorious encouragement than that contained in
