

## Notices, &amp;c.

☞ We have deemed it due to our readers to lay before them in full, the two letters received from Mr. Archibald, giving his views both at the time when he felt it his duty to tender his resignation and also when he last wrote. Our space this month forbids any lengthy remarks on this as well as the other interesting matters brought before our readers in the correspondence we have published. We are sure our readers will be rejoiced to learn that Mr. Archibald has returned to his labours and the other intelligence so far is highly cheering, and indicates gratifying progress on the part of our Missionaries. We have now on hand a variety of interesting matter from which to select in future Nos.

☞ The accounts of monies received for the Home Missions, Synod Fund, &c. are unavoidably postponed this month. Also the proceedings of the Boards during the sittings of the Synod.

☞ The Synod of our Church is in Session at the time of the issue of our present No. Much important business has been before it, a summary of which will appear in our next. The Annual Missionary Meeting was held on the evening of Thursday, 27th inst. when the reports of the Boards of Home and Foreign Missions were received, and interesting addresses delivered by the Rev'd Messrs. Baxter, Mc Gilveray, Sedgwick, Allan, Byers, and Murdoch.

☞ The congregation of Salem Church, Green Hill, would publicly express their acknowledgements to Abraham Patterson and James Primrose, Esqrs., of Pictou, for the exceeding handsome donation of an elegant Communion Service costing £13 5s. currency.

They would also publicly acknowledge the receipt of the following sums, received at different times, in aid of the Building Fund of the Church, from gentlemen not connected.
