PEARLINE IS THE FRIEND OF THE WORKINGMAN

With Pearlina, he can make his face and hands as white as a woman's.
His wife can make his finest linen or coarsest overalls as clean and sweet as the linen of a gentleman of leisure.
She can keep the home as clean and sweet as any palace; and more besides, it saves her one-half the time required by ordinary soap; and by doing away with most of the rubbing it does away with the worst of the wear and tear on the woman, the clothes—in fact Pearlina makes a paying saving all around; it's economical no matter how you look at it.

Beware Peddlers and some unscrupulous grocers are offering imitations which they claim to be Pearlina, or "the same as Pearlina." IT'S FALSE—they are not, and besides are dangerous.
