

WHAT MAGNIFICENT TESTIMONY!

"PAINE'S CELERY COMPOUND PRODUCED MIRACULOUS RESULTS AND BANISHED MY TROUBLES."

This Strong Statement is Made by Mr. Ambrose Budd, of Shanty Bay, Ont.

Victory after victory; a continued and unbroken march of triumphs over disease and suffering marks the fame of Paine's Celery Compound in every land where it is used to battle with sickness.

In Canada alone, tens of thousands who were once dyspeptics and who bore awful loads of pain and agony, now thank Heaven that they enjoy health, strength, sleep, appetite and digestive vigor brought to them by the use of Paine's Celery Compound.

This wonderful medicine—the greatest product of medical science—has reached the top round of the ladder of fame as a cure for dyspepsia, indigestion, flatulence, heartburn, gastric cramp, and the numberless evils that make life miserable through imperfect digestive vigor.

No medicine in the world but Paine's Celery Compound can effectually reach the hard and

difficult cases of dyspepsia and indigestion. This statement is borne out by the testimony of Mr. Ambrose Budd, who says:—

"For the benefit of sufferers I gladly give my experience with Paine's Celery Compound. After suffering with dyspepsia for thirty-five years, and meeting with many failures with other medicines, I decided to use Paine's Celery Compound, having heard of so many cures effected by it. The Compound, after I used it for a time, produced miraculous results and banished my troubles.

"From a condition of hopelessness—being unable to sleep or eat—I now feel well and strong. I am astonished at the results, as my trouble was an old and chronic one. I have recommended Paine's Celery Compound to some of my neighbors, and in every case it has given satisfaction. I will always strongly recommend its use when I have opportunity."

FREE!
The Late Prof. Basil Manley, of the South Bap. Theo. Seminary, Louisville, Ky., says of the Aerial Medication: "I can cordially recommend its use." Write for a fac-simile of his letter.
Rev. W. E. Penn, the noted evangelist of Eureka Springs, Ark., says: "I was cured of Catarrhal Deafness, in 1886, by the use of the Aerial Medication, and it has proved to be a permanent cure. I recommend this treatment wherever I go, and know of many cases of Catarrh and Lung trouble that have been cured by its use."
Rev. W. E. PENN

Medicines for Three Months' Treatment Free.
To introduce this treatment and prove beyond doubt that it will cure Deafness, Catarrh, Throat and Lung Diseases, I will for a short time, send medicines for three months' treatment free. Address, J. H. MOORE, M.D., Cincinnati, O.

Province of Ontario. Forty-Year Annuities.

The undersigned will receive TENDERS for the Purchase of Terminable Annuities running for a period of forty years, issued by the Province of Ontario under authority of an Act of the Provincial Parliament (47 Vict., cap. 31.)

The Annuities will be in the form of certificates signed by the Provincial Treasurer guaranteeing half-yearly payments at the office of the Provincial Treasurer in Toronto of sums of \$100, or larger sums, on the 30th day of June and 31st day of December in each year for forty years from 30th day of June next, the first half-yearly certificates being payable on the 31st December next.

The total amount of Annuities to be issued in 1895, and for which Tenders are asked, is \$8,000 annually, but Tenders will be received for any part of the same not less than \$200 annually.

Tenders will be required to state the capital sum which will be paid for either the whole Annuities offered or such portion as may be tendered for.

Tenders will be received up to the 12th day of July next. Notification of allotments will be given to tenderers on or before 18th July and payments from accepted tenderers will be required to be made within ten days thereafter.

Tenders for the whole amount offered, if preferred, may be upon condition that the annuities be payable in Great Britain in sterling.

The highest or any tender not necessarily accepted unless otherwise satisfactory.

R. HARCOURT,
Provincial Treasurer.

Provincial Treasurer's Office,
Toronto, May 8th, 1895.

NOTE.—Illustration of calculation on interest basis:—At the rate of 4 per cent. per annum (or in strictness 2 per cent. half-yearly) a present payment of \$1,987.25 would represent an annuity of \$100 for forty years, payable half-yearly, while the actual yearly payment for the forty years would be a fraction above 5 per cent. on the principal sum.

N.B.—No unauthorized advertisement will be paid for.

HEALTH AND HOUSEHOLD HINTS.

Pillow slips should be ironed lengthwise instead of crosswise if one wishes to iron wrinkles out instead of in.

Dish towels and common towels can be ironed just as well in half the time if folded together once as if ironed singly.

Baked potatoes should be pricked with a fork when done so that the steam will escape, thus making them mealy.

Clothes when brought in should be folded and separated at once; if allowed to lie together many wrinkles accumulate.

White and delicately-tinted book bindings may be cleaned by rubbing the covers with a soft, perfectly fresh piece of chamois skin, dipped in powdered pumice stone.

Put the rubber rings from your empty preserve jars into a weak solution of ammonia water, and they will recover their elasticity. This will be quite an item when the summer canning begins.

There is a false economy which costs more than it returns, such as saving old medicine bottles, partially-used prescriptions, the tacks taken from the carpets, or working days to save or make that which can be bought for a few cents.

A teaspoonful of borax put in the last water in which clothes are rinsed, will written them. Pound the borax so it will dissolve easily. This is good to remove the yellow that time gives to white garments that have been laid aside for two or three years.

A method to prevent flannel from shrinking is to hold it over the steam of boiling water. When thoroughly damp it can be immersed. This should be done before the flannel is cut. Skeins of wool to be used in knitting or crocheting are often treated in the same way.

Rhubarb Pudding.—Butter a baking dish thickly and cover the bottom with slices of buttered bread. Cover with rhubarb cut in short pieces. Sprinkle freely with sugar, and then put on another layer of bread and butter and proceed thus until the dish is full. Cover closely and bake an hour and a half. Remove cover and brown. Serve with sweet sauce.

Cutlets of Cold Mutton.—Divide the remains of a cold neck of mutton into neat cutlets, trimming off some of the fat; make a good batter with milk, flour and eggs; dip the cutlets in it and throw them into a frying pan full of boiling lard; let them acquire a nice golden color on both sides, and serve hot, piled up around a centre of green peas or French beans.

Prune Soup.—Soak one-half cupful of sago for one hour in a cupful of cold water, then add one quart of water, and cook in a double boiler until transparent. In the meantime cook together one cupful of prunes and one-half cupful of raisins in a small quantity of water until soft; then add the whole to the sago, when it is transparent, with the juice of one lemon and one tablespoonful of sugar. Strain and serve hot with croutons.

Orange Short Cake.—Peel two large oranges, slice and remove seeds. Add one cup of sugar and mash slightly to start the uice. Make the cake as follows: Two cups of flour, two teaspoonfuls of baking powder, one heaping spoonful unmelted shortening; salt if butter is not used. Rub all well through the flour and add milk to make it barely hard enough to roll. The oven should be just right to bake it in twenty minutes. Split open, spread with butter, with oranges between the layers and on top. There should be enough orange juice so that it will need no other sauce, but if you like, cover the top layer of orange with whipped cream.

TO CONTRACTORS.

SEALED TENDERS addressed to the undersigned and endorsed "Tenders for Works," will be received at this Department until noon on Saturday, the 1st of June, for the following works:—

Residence of the Medical Superintendent, Mimico Asylum; Rubber Fire Hose and Reels for the Reformatory for Boys, Penetanguishene, and for the Deaf and Dumb Institute, Belleville; Hot Water Apparatus for Superintendent's residence, Mimico Asylum; and for the Court Room at Port Arthur, Thunder Bay District; one Steam Boiler for Agricultural College, Guelph; and two Steam Boilers for the Central Prison, Toronto; one Steam Pump in Basement of new Parliament Buildings, Toronto; and one Steam Pump at Brockville Asylum.

Plans and specifications can be seen and form of tender procured at the Department. An accepted bank cheque, payable to the undersigned, for five per cent. on the amount of each tender for each of the above works will be required as a guarantee of bona fides. The cheques of the unsuccessful parties tendering will be returned when the contracts have been entered into for the several works. The bona fide signatures and business addresses of two parties as sureties must accompany each tender. The Department will not be bound to accept the lowest or any tender.
