THE WANDERING HEIR, one of Charles Reade's most popular novels, fades in interest compared with that still greater novelty of LUBY'S PARISIAN HAIR RENEWER. Never say dye so long as there is a bottle of it for sale, for it will not only give those who use it a youthful appearance, but it will secure a change of (h)air to all who cannot afford to go out of town in search of it.

LUBY'S FOR THE HAIR

Restores the Color, Beauty and Softness to Grey Hair, and

A PARALLEL. — People occasionally 'ail out. So does the hair. The ills that flesh is heir to often arise from a want of proper nourishment, so it is with the hair that flesh is next to. To get at the root of the subject you must restore confidence, and it is only by a thorough acquaintance with the virtues of LUBY'S PARISIAN HAIR RENEWER, that you can fully realize a complete renewal of confidence in the highest adornment of the intellect, which is the hair.
