MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, OF ROXBURY.

HAS discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR, from the worst Scrofula down to a common Pimple. He has tried it is over eleven hundred cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing-sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Four to six bottles are warranted to care corrupt and run-

ning ulcers.

One bottle will cure scaly eruptions of the skin.

Two or three bottles are warranted to cure the worst case

of ringworm. Two to three bottles are warranted to cure the most des-

perate case of rheumatism. Three to four bottles are warranted to care sait rheum

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in valuational the manufacture of the day, as that a contributed all the manufacture multipliers of the day, as that a contributed all the manufacture multipliers of the day, as that a contribute of the day. Nothing tooks so improbable to those who have in vala tried all the wonderful medicines of the day, as that a common weed growing on the pastures, and along old stone walls, should cure every humor in the system, yet it is now a fixed fact. If you have a humor it has to start. There are no it nor ands, hums nor ha's about it suiting some cases but not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know the effects of it in avery case. It have of Boston. I know the effects of it in every case. It has already done some of the greatest cures ever done in Massachusetts. I gave it to children a year old; to old people of sixty. I have seen poor, puny, wormy looking children, whose flesh was soft and flabby, restored to a perfect state of health by

To those who are subject to a sick headach, one bottle will To those who are subject to a sick headach, one bottle will To those who are subject to a sick headach, one bottle will always cure it. It gives a great relief to catarrh and dizziness. Some who have taken it have been costive for years, and have been regulated by it. Where the body is sound it works quite easy; but where there is any derangement of the functions of nature, it will cause very singular feedings, but you must not be alarmed; they always disappear from four days to a week. There is never a bad result from it; on the contrary, when that feeling is gone, you will feel yourself like a new person. I heard some of the most extravagant encommums of it that ever man listened to.

Nothing in the annals of Patent Medicines has ever lawar received by the public with so much favor as this simple preparation. It is now composed of nine different heris. In

may 1852, when I commenced of nine different heris. In May 1852, when I commenced making a business of it, I could about two bottles per day. In June 1853, I sold 4,320 bottles. In October, 1853, I sold 6,120 bottles. I hope you will call that doing well. I do.

In my own practice, I confine it strictly to humors; but

there are some who are so enthusiastic in its favor they think what cured them will cure any thing and any body; they accordingly recommend it for every variety of disease. In this way a great many virtues of it have been found that I never would suspect.

Cases of Dyspepsia, of many years standing, that withstood every known remedy have been permanently cared.

I know one man gain 17 lbs by taking three bottles; ano-

cumerence thirty-lour inches,) as to visit her friends in several neighboring towns.

Another had the Dropsy in her left leg, and was unable to walk for ten years, sometimes swelling to an enormous size; at last bursted, making a bad wound which could not be healed; by taking three bottles and two boxes of ointment she is now quite well. Why it should make some fat and others lane I can not tell; but so it is.

lane I can not tell; but so it is.

I know of several cases of Kidney Complaints cured by it. If the colums of a newspaper was a proper medium, I could tell of cases of this most distressing of all diseases that would make your heart bleed, that was permanently cured by it.

It has lately been found to be a sure cure for the Panama fever. In one case, the first spoonful put off the fit two hours. One bottle cured him. Another came home to die, and was induced by his brother to try it. Three bottles cured him.

It likewise gives great relief in the Asthma. A lady in Lawrence was unable to lay in bed for a number of years; she can now lay without the least inconvenience.

A lady in Weymouth lost the use of her left side by the Erysipelas. On the second bottle, she broke out one mass of humor from head to foot. In a few days she was well.

Others use it to cleanse the dandruff out of the hair and strengthen its roots, which it certainly does; and to crown all, it made the hair grow on bald heads, which, if I had not seen with my own eyes, I would not believe from you or any-
