HIDES.—Receipts of green hides have been liberal and of improved quality: dealers pay 8c. for No. 1, 7c. for No. 2, and 6c. for No. 3. Hamilton and Toronto hides have sold at 8½ to 8¾c. for No. 1. Calfskins are dull at 8c., sheepskins and lambskins as before.

CROCERIES.—Movement fair for the season; city trade quieter, but country orders coming in very fairly, and payments satisfactory. Receipts of new molasses very moderate, 29c. asked in hundred brl. lots, small parcels would cost 30 31c., a good many syrups are moving, but the supplies at factory are very light, and prices rule firm. Teas are not in very brisk demand, and prices are not changed. Goods by the first direct steamer of the new C. P. R. line to Vancouver are now due here, and will shortly be on the market; green teas seem to be going almost out of consumption. Dried fruits, though not much sought for, are very firm in price; Sultana raisins have advanced largely in price and enquiries have been made for stock here for foreign markets, they would now cost laid down here 65c.; Valencia raisins have been shipped from here to both London and Bristol, and are steady at 5½ to 6c. for ordinary; there is only one holder of currants here, and he asks 5½c. in quantity; prunes as before. Canned goods are getting low in stock; for tomatoes all the way from \$1.42½ to \$1.57½ has been asked in a wholesale way; salmon is very scarce indeed, and new supplies of lobsters are not yet to hand.

METALS AND HARDWARE.—The trade doing in iron and metals at the moment is of a very moderate character indeed, in hardware business is rather better. Prices do not show any noteworthy changes; Glasgow warrants cabled 42/3d., showing some gain in strength, but local prices for pig iron are about as before, or rather easier as the trade gets more settled. Bar iron is sold at \$2.00 to \$2.10, and Canada plates remain very firm at \$2.50.
