Smith

the Apple-Show man

—he saw them—the
finest WEALTHIES
and McINTOSH
REDS—you'll see
them at the APPLE
SHOW

They're from The Basque Fruit Farms

200 miles east of Vancouver, in the Thompson River Valley

6 miles from Ashcroft, on the C. P. R., also on the located line of the C. N. R.

You have heard of Ashcroft Potatoes! A great part of them are grown at Basque. Basque has an unfailing and ample irrigation system.

Basque has been growing apples for 25 years. It has the *best soil*—a market from Vancouver to London, Eng.—the best transportation—a beautiful climate.

Sold in 5-acre tracts.
\$375.00 an acre.

For the business man who wants an investment, we will plant and care for a tract at a small additional cost.

Terms: \$100.00 down,
\$50.00 monthly. No interest.
