

A peculiar fact with reference to Dr. Pierce's Golden Medical Discovery is, that, unlike sarsaparillas and other blood medicines, which are said to be good for the blood in March, April and May, the "Discovery" works equally well all the year round, and in all cases of blood-taints or humors, no matter what their name or nature.

It's the cheapest blood-purifier sold through druggists.

Why? Because it's sold on a peculiar plan, and you only pay for the good you get.

Can you ask more?

"Golden Medical Discovery" is a concentrated vegetable extract, put up in large bottles; contains no alcohol to inebriate, no syrup or sugar to derange digestion; is pleasant to the taste, and equally good for adults or children.

The "Discovery" cures all Skin, Scalp and Scrofulous affections, as Eczema, Tetters, Salt-rheum, Fever-sores, White Swellings, Hip-joint disease and kindred ailments.

It is not what we eat but what we digest, that nourishes the body. If our digestive powers are weak, we must take something to strengthen them. If you drink St. Leon Water, you may eat anything in the shape of food and you will not have indigestion. If you drink St. Leon after meals it will cure indigestion. A good trip to take during the summer months is down to St. Leon Springs where there is a fine hotel in connection, managed by Mr. M. A. Thomas of Toronto. CANADIAN INDIAN RESEARCH AND AID SOCIETY.

The Annual Meeting of the C. I. R. A. S. and the Indian Conference which were to have taken place in Toronto on May the 14th and 15th have been postponed till September next.

The local committee of arrangements met in Toronto on March 30th, and it was then decided that September being Exhibition month, and travelling rates consequently more reasonable, also Indians being better able to leave their farms at that time than in May, it would be a far better and more convenient time for holding both the Annual Meeting and the Conference.

Reddaway's Solid Woven "Patent" CAMEL-HAIR BELTING

Is as straight and as uniform in section and density as it is possible to make a belt. After working some time, the wearing faces of Camel Hair Belts obtain a smooth, finished appearance, and grip firmly; not fray on the edges; might be cut up the middle with a saw, and the two narrow belts so made set to work again; have but one joint, and being of uniform thickness throughout will run with remarkable truth, and do very heavy work; is the only satisfactory belt in wet places, in Dye Houses, Refineries, in steam, water, or great heat.

Breaking strain of 6 in. Camel Hair Belt is 14,181 lbs. Breaking strain of 6 in. Double Leather is 7,522 lbs.

We caution users against spurious makes of belting offered under deceptive names, intending to convey the idea that it is our Camel Hair Belting.

CAMEL HAIR BELTS are unexcelled for "Dynamo," Saw Mills, Paper Mills, Pulp Mills, Dye Houses, Sugar Refineries, Cotton Mills, Woolen Mills, Machine Shops, Agricultural Machines, Pumping Machinery, and Main Driving generally.

A REMARKABLE STORY

Already famous in Europe, entitled "Four Days," from the Russian of Garshin appears in the double summer number of POET-LORE—June 15th. It is a vivid picture of a significant episode in the life of a modern soldier. Two short stories of a very different kind follow—"Faded Leaves," and "Green is Hope," translated from the Norse of Alexander Kielland. The same number of POET-LORE contains a hitherto unpublished letter of John Ruskin's on "Wages"; and critical papers on "Two Versions of the Wandering Jew," by Prof. R. G. Moulton; "The Text of Shakespeare," by Dr. Horace Howard Furness; "An Inductive Study of 'As You Like It,'" by C. A. Wright; and a "Study Programme: Magic, Out-door and Human Nature in Literature," of practical use to Reading Circles or for the home study of Literature.

A COMPLETE PLAY—"Harold," by the distinguished German dramatist, Ernst von Wildenbruch, will be given, translated into English verse, with the author's sanction, in the second double number of POET-LORE—Sept. 15th. This drama is on an English theme, is full of action, and is a marked success on the German stage (copyright applied for). A portrait of the author, and a critical and biographical account of him, will also be given.
