ADVERTISING AGENCIES RETAINED BY DEPARTMENT OF NATIONAL REVENUE

Question No. 99—Mr. Cossitt:

1. What are the names and addresses of all advertising agencies used by the Department of National Revenue since the present Minister assumed his portfolio?

2. (a) What are the amounts of all advertising contracts given such agencies during this period of time, what are the dates such contracts were awarded and in each case, were tenders or competitive presentations of any kind requested and, if not, who authorized in each case the expenditure of public funds without such tenders or competitive presentations (b) in each case, what was the general subject matter of the advertising contract?

3. What are the names and addresses of all advertising agencies used by the Department of National Revenue during the term of the Minister's immediate predecessor and if any of these agencies has not been used since then, for what reason and on whose decision were changes made?

Hon. Robert Stanbury (Minister of National Revenue): In so far as the Department of National Revenue, Customs and Excise, is concerned: 1 and 2. (a):

Name and Address	Amount \$	Date
Inter-Canada Quebec Advertising Agency Limited, 1350 Sherbrooke Street West, Montreal, Quebec, H3H 1E4	4,843.50	March 5, 1973
John Doherty & Co., Ltd., 46 Elgin Street, Ottawa, Ontario, K1P 5K6	4,433.21	April 15, 1973

Because the individual expenditures were less than \$10,000, there were no formal contracts between the agencies and Customs and Excise and, therefore, these payments were made on the basis of ordinary departmental purchase orders. This is in accordance with Treasury Board regulations. (b) The subject matter of these contracts relates to the publicizing of information folders with respect to Customs regulations which concern the travelling public and the provision of information to the public generally concerning personnel changes in the department at the senior management level.
