

All the above in Report of Progress, published in 1857. Abstracts of above were published in C. N., iii, 91-97, and in S. J., second series, xxv, pp. 217-226, and xxvi, pp. 234-240, under the title, "Contributions to the History of Ophiolites," with additions, "On Serpentine and Some of its Uses." C. N., ii, pp. 28-34.

Chemical Report and "On Dolomites and their Formation." C. G. S. (report of progress), 1857, pp. 193-329; Laurents, 58.

Mineral Waters and Origin of Magnesian Rocks. C. N., ii, p. 258.

1858.

On the Theory of Igneous Rocks and Volcanos. C. J., iii, pp. 201-208; C. N., iii, pp. 194-201, and republished in C. & G. E.

On the Chemistry of the Primeval Earth. S. J., xxv, pp. 102, 103.

Contributions to the History of Ophiolites. S. J., xxv, pp. 217-226; xxvi, pp. 234-240; Erd. J. P. C., lxxv, pp. 457, 458.

On the Extraction of Salts from Sea Water. S. J., xxv, pp. 361-371; C. N., iii, pp. 97-110.

On the Origin of Feldspars and on Some Points of Chemical Lithology. S. J., xxv, pp. 435-437.

On Euphotide and Saussurite. S. J., xxv, p. 437.

On Some Reactions of the Salts of Lime and Magnesia. S. J., xxvi, pp. 109, 110.

1859.

Contributions to the History of Gypsum and Magnesian Rocks. P. A. S., pp. 227-247 (1860); C. N., iv, pp. 294, 295. Reprinted in C. & G. E.

On the Formation of Magnesian Limestone. C. J., iv, pp. 185, 186.

Fish Manure. C. N., iv, pp. 13-23.

Formation of Siliceous Rocks. C. N., iv, pp. 295, 296.

(Report as Chemist and Mineralogist.) On Intrusive Rocks of Montreal and Grenville, Minerals from Silurian Rocks and History of Dolomites. C. G. S. (report of progress, 1858), pp. 171-218. Reprinted in part in C. J., v, new series, pp. 426-442. Abstract in S. J., second series, xxxi, p. 124.

Contributions to the History of Euphotide and Saussurite. S. J., xxvii, pp. 336-349; Erd. J. P. S., lxxx, 1860, pp. 333-336.

On Some Reactions of the Salts of Lime and Magnesia, and on the Formation of Gypsum and Magnesian Rocks. S. J., xxviii, pp. 170-187, 365-383.

Notes on Some Points in Chemical Geology. B. A. R., 1860 (Part 2), pp. 83, 84; C. N., iv, 1859, pp. 414-425; G. S. J., xv, pp. 488-496; S. J., xxx, 1860, pp. 133, 137. Republished in C. & G. E.

1860.

Analysis of Canadian Wolfram. C. J., v, p. 103.

On the Intrusive Rocks of the District of Montreal. C. J. v, pp. 426-442.
