

present some of the grandest and most striking scenery in the world, rising from the water almost perpendicularly to a height of from one thousand to fifteen hundred feet; and in many places a ship of the line might run close to the rocks which overhang it.

TADOOSAC HARBOR

is situated on the northeast side of the river, at its mouth. It is a port of the Hudson's Bay Company, who have a resident and a considerable establishment here.

TETE DU BULE

is a remarkable round mountain, on the north shore, three miles above Tadoosac. A few miles further up are two hills known as the **TWO PROFILES**, from the strong resemblance which they bear to the human face.

ST. JOHN'S BAY,

twenty-eight miles above Tadoosac, on the south shore, and the mouth of Mackenzie's River on the north shore, are places which contain large lumbering establishments.

ETERNITY POINT AND CAPE TRINITY,

on the south shore, six miles above St. John's Bay, are two immense masses of rock, rising from the water's edge to a height of about fifteen hundred feet, and affording a prospect of solemn and imposing grandeur. **STATUE POINT** comes next in succession, and then the **TABLEAU**. This is a perpendicular rock rising to the height of nine hundred feet. The scenery continues very beautiful on to **HA HA BAY**, which is nine miles in length, and six miles in width, and affords good anchorage for the largest vessels, the average depth being from twenty to thirty-five fathoms.

CHICOUTIRNI

is situated sixty-eight miles above Tadoosac. The Hudson's Bay Company have a post here, and there is a Roman Catholic Church, erected by the Jesuits in 1727. The population is about four hun-
