THE CITADEL and The Fortifications of Quebec

BY

ARTHUR G. DOUGHTY

With Naval and Military Notes by Major William Wood

With photographic reproduction of the original M.S. plan of the battle of the Plains of Abraham bearing the signature of Major Mackellar Engineer in Chief under Wolfe. (not previously published).

M.S. plan of Quebec used by Wolfe. Plan of the old British works, showing their commencement. These works have hitherto been referred to as "old French works." Plan of the first temporary citadel, views of the citadel, old gates &c.

Beautifully printed with coloured initials on hand made paper, rough edges. Only 40 copies remain unsubscribed for. Small quarto, paper boards, price \$6.00, subject to advance without notice.

N. B. This work will not be placed on sale, and can only be obtained from the author.
