UNIONISTS MUST TRY TO AVERT CIVIL WAR

Earl Selborne Endorses More Pacific Policy if Bill Must Pass.

Canadian Associated Press Cable.

LONDON, Thursday Morning, May 28.—Speaking at a mass meeting of Ulster Covenanters at Bath yesterday, Earl Selborne defined his attitude toward home rule in a way that certainly not commend itself to the people or the supporters of Ulster in general.

"It is clearly our duty to prevent civil war, if we can," he said. "If we Unionists are confronted with the dilemma, will you have home rule for the moment with civil war or without civil war, our clear duty is to say, 'without civil war.' If, without taking any responsibility for the policy, keeping our hands free for the future and sticking to the fundamental principle that the people can decide, if while doing all these things we can avert war, it is our duty to do so. We will, however, take no kind of responsibility whatever for the policy of home rule. We believe the policy and this particular bill infamous."

Mr. and Mrs. Wellington Jeffers, Montreal, who spent the week-end in Ottawa with Mr. and Mrs. F. A. Acland, have returned home.

CENTRAL Y. M. C. A. NEEDS ENDOWMENT

Remarkable Growth of Work Means That Money Must Be Found.

DEFICIT WAS COVERED

Friends of the Institution Came Forward in Time of Need.

The report of the board of directors of the central body of the Young Men's Christian Association of Toronto, which was presented at the annual meeting in the Central Y.M.C.A. building, showed a remarkable growth and success in all branches of Y.M.C.A. work in Toronto. President E. J. Wood gave the report, and in his address stated that the association was in great need of an endowment fund to ensure permanency.

The total income for the year was \$153,418 and the expenditure amounted to \$152,223, which leaves a deficit of \$8811. The deficit was taken care of by friends of the association in such a manner that there is a slight balance.

The membership of the Y.M.C.A.'s of Toronto amounts to 7276 and the indoor attendance during the past year was 171,219. Eighty-six different Bible classes were held, with an attendance of 20,000. Their employment bureau, it was reported, filled 888 positions during the year. The only branches to show a surplus in their financial statement to the central body were East Toronto, which had \$28, and Mimico with a surplus of \$1525. Broadview branch had a deficit of \$8890. It started the year with a deficit of close to \$5000.

At the conclusion of the meeting pictures of the different athletes of the association were shown on the screen along with other pictures, reviewing their work.

MOTORMEN HURT IN RADIAL CRASH

Lake Shore Cars Collided Head-On Near Humber River.

PASSENGERS BRUISED

Injured Car Men Now in Western Hospital Suffering From Severe Cuts.

Two motormen named Fred Harper, 8 East Gerrard street, and Angus McVicar, 17 Grafton avenue, are lying in the Western Hospital, as the result of a head-on collision between two Lake Shore radial cars, at 2 o'clock yesterday, about 200 yards from Humber Beach.

Harper is suffering from scalp wounds and injuries to his legs, and McVicar from cuts and bruises. About 12 passengers suffered more or less from minor injuries caused by the flying glass and splinters of wood. The injured were attended by Drs. Godfrey and Ricker, and two houses in the neighborhood were thrown open for the dressing of the many wounds and gashes. The passengers were hurried from the cars as they met in the impact, and the fact that the trolleys were traveling at a reduced rate of speed saved their lives.
