An old lady named Dougherty wandered
into the village on Thursday evening, and
was directed to the Justice of the Peace
for care, until her friends in the city
could be communicated with. The statisti-
cian did not seem to provide means for her
care for one night, neither did the charity
of the magistrate applied to, and the
footman old lady was turned away to
sleep, perchance, in the open air, and in the
cold. Mr. Ben Musselman, however, learn-
ed of the event, and housed and fed the
old lady until delivered up to her friends
yesterday in the city.

Mr. Joseph Ellison, who resides near

injured man is over 70 years of age, and
considerable difficulty is anticipated in set-
ting the bone. The accident occurred when
he was attempting to cross a road, and
was attending to the accident.

Mr. Joseph Cox, who sustained a sprain-

is now able to be out again.
