Sensational Sale of Slightly Used Pianos

Trainloads of Fine, Nearly-New Pianos at Great Reductions From Regular Prices.

Every summer we do a large renting business, and this year we furnished more pianos than ever before. Now at the height of the fall trade, when our store is already filled with new pianos, back come the rented instruments by every train. Where to put them-that is the problem that confronts us.

We have decided to reduce the prices that a speedy clearance of the entire stock will be assured, and are now conducting a

GIGANTIC 10-DAY CLEARING SALE

putting a price on each instrument that will undoubtedly quickly send it to someone's home.

Every piano in first-class condition; in fact, most of them were new three months ago and the little use they have received has not harmed them a particle. We are forced to offer them at the best value ever offered in London. Elegant Upright Pianos will go during this sale at \$90, \$125, \$175,

\$210, \$235 and upwards, representing savings in many cases of \$50, \$75, \$100 and even more. Square Pianos at \$35, \$45, \$75 and up to \$125. Very easy payment terms will be arranged at no advance in price. Make

a small payment down, then pay by the month as you can afford. . Special Free Offer-During this sale we will furnish, without extra charge, a fine stool with each piano; will also pay freight within 100 miles of London.

Every piano guaranteed exactly as represented, and our guarantee is backed by capital of over two million dollars. You take no chance when you deal with us, as our business record for over half a century will attest.

Every instrument is such a decided bargain that we expect to close out the entire lot within the next ten days. Don't delay. This is your gold nopportunity for money saving and we make it easy for you to take advantage of it. Store open evenings during this sale.

Every piano marked in plain figures with both the regular and special sale prices. Look for the red tag.
