

THE EAST AND WEST BROUGHT

CLOSER TOGETHER
Western Canada and the Pacific Coast have now been brought within much quicker reach of the East by "The Trans-Canada Limited," the new popular all-sleeper car train operated by the Canadian Pacific Railway from Toronto and Montreal to Vancouver. It makes the fastest time between terminals of any transcontinental train in America. Leaving Toronto at 7:15 p.m. daily, Fort William is reached in 26 hours, Winnipeg in 32, Regina in 36, Calgary in 44, and Vancouver in 90. By this means a business day is saved—great convenience to the large number of business men who travel between Eastern and Western Canada. Leaving Toronto on the evening of Monday, for instance, it is possible to spend a full business day in Winnipeg, and be back in Toronto by Friday afternoon. Tourists to the famous resorts of the Canadian Pacific at Banff, Lake Louise, Glacier, Vancouver and Victoria will also find this train particularly convenient. It consists of standard sleeping cars, dining car, and compartment observation car, and sleeping car passengers only are carried. Further particulars obtainable from Canadian Pacific ticket agent or W. D. Howard, district passenger agent, Toronto. July 15

IRON FOR STRENGTH

You need iron in the blood! Every healthy man or woman should have about as much iron in his or her body as there is in an ordinary railroad spike. To gain this iron, the best way is to take Tonalin-Iron Capsules, a combination of iron in its most absorbable form, recently discovered, and now having a marvelous sale. Tonalin-Iron Capsules are a form of iron readily taken up by the blood. The blood cells get round, rich red in color, the cheeks are pink, the appetite improves, and one feels full of "snap" and "vigor"—instead of tired before the day is half done. The eyes take on a lustre and the body feels that tingle which one gets from a cold bath. For sale and guaranteed by all good druggists, or sent by mail on receipt of \$1. Tonalin-Iron Laboratories, Box 181, London, Ont. zxy
