Have not coughed once all day? Yet you may cough tomorrow! Better be prepared for it when it comes. Ask your doctor about keeping Ayer's Cherry Pectoral in the house. Then when the hard cold or cough first appears you have a doctor's medicine at hand. Your doctor's approval of its use will certainly set all doubt at rest. Do as he says. Lovell. Mass.

Stop! Read! **Strength for Weak Men**

Do you want to feel as vigorous as you were before you wasted your strength ? To enjoy life again ? To get up in the morning refreshed by sleep, and not more tired than when you go to bed ? To have no weakness in the back, or "come-and-go" pains ? No indigestion or constipation ? To know that your strength is not slipping away ? To once more have bright eyes, healthy color in your cheeks, and be confident that what others can do is not impossible to you ? In short, do you want to be what nature intended you to be ? Then use Dr. McLaughlin's Electric Belt, the only body battery which pours a glowing stream of electric energy into
