## HAS YOUR BLOOD BEEN DISEASED?

BLOOD POISONS are the most prevalent and most serious diseases. They sap the very life blood of the victim and unless entirely eradicated from the system will cause serious complications. Beware of Mercury. It only suppresses the symptoms—our New Method cures all blood diseases. I commenced to look upon all doctors as little better than rogues. One day my boss asked me why I was off work so much and I told him my condition. He advised me to consult Dr. Kennedy & Kennedy, as he had taken treatment from them himself and knew their treatment. My progress was somewhat slow and during the first month's treatment I was somewhat discouraged. However, after two months' treatment for three months longer and was rewarded with a complete cure. I could only earn \$12 a week in a machine shop before, but now I am earning \$24 and never lose a day's work. I wish all sufferers knew of your valuable treatment.

The solo artist for the second evening has not yet been decided upon, but the selection will be one equally great.
